Local Law Filing

Pursuant to Municipal Home Rule Law §27

Local Law Number ascribed by the legislative body of the local government listed below:

_____ of the year 2026

Local Law Title:

A LOCAL LAW AMENDING CHAPTER 143, SECTION 143-30 OF THE TOWN CODE OF THE TOWN OF CORNWALL, NEW YORK, ESTABLISHING A NO PARKING ZONE ON ACADEMY AVENUE EXTENSION WITHIN THE TOWN

Be it enacted by the Town Board of the
(Name of Legislative Body)

☐ County ☐ City XX Town ☐ Village
(Select one)

Of Cornwall, Orange County, New York as follows on the attached pages:
(Name of Local Government)

For Office Use Only

Department of State Local Law Index Number: _____ of the year 20 ____

(The local law number assigned by the Department of State for indexing purposes may be different from the local law number ascribed by the legislative body of the local government.)

TOWN OF CORNWALL
INTRODUCTORY LOCAL LAW NO. ___ OF 2026

A LOCAL LAW AMENDING CHAPTER 143, SECTION 143-30 OF THE TOWN CODE OF THE TOWN OF CORNWALL, NEW YORK, ESTABLISHING A NO PARKING ZONE ON ACADEMY AVENUE EXTENSION WITHIN THE TOWN

Be it enacted by the Town Board of the Town of Cornwall, County of Orange, State of New York, as follows:

Section 1. This Local Law is enacted pursuant to Section 1660 of the NYS Vehicle and Traffic Law for the purpose of effecting public safety on certain Town highways as set forth below.

Section 2. The Town of Cornwall Code Chapter 143. VEHICLES AND TRAFFIC, Section 143-30. Parking Prohibited At All Times Except as Signed shall be and hereby is amended by this Local Law as follows:

Add to the list of enumerated locations the following text:

Name of Street	Side	Location
Academy Avenue Extension	Both	Entire Street

Section 3. Separability

If any part or provision of this Local Law or the application thereof to any person or circumstance be adjudged invalid by any court of competent jurisdiction, such judgment shall be confined in its operation to the part or provision or application directly involved in the controversy in which such judgment shall have been rendered and shall not affect or impair the validity of the remainder of this Local Law or the application thereof to other persons or circumstances, and the Town Board of the Town of Cornwall hereby declares that it would have passed this Local Law or the remainder thereof had such invalid application or invalid provision been apparent.

Section 4. Superseding Provision.

To the extent that New York State Town Law fails to provide specific authority for this Local Law or the procedures necessary for its adoption, or otherwise appear to be in conflict with this Local Law or the procedures followed for its adoption, then such laws are hereby superseded by this Local Law pursuant to New York Municipal Home Rule Law and the common law of vesting.

Section 5. Repeal

All ordinances, local laws and parts thereof inconsistent with this Local Law are hereby repealed.

Section 6. Effective Date

This Local Law shall take effect immediately upon filing in the office of the New York State Secretary of State in accordance with section 27 of the Municipal Home Rule Law.

Local Law Filing

(Complete the certification in the paragraph that applies to the filing of this local law and strike out that which is not applicable.)

1. (Final adoption by local legislative body only.)

I hereby certify that the local law annexed hereto ascribed as local law number ____ of 2026 of the Town of Cornwall was duly passed by the Town Board on _____, 2026 in accordance with the applicable provisions of law.

2. (Passage by local legislative body with approval, no disapproval or repassage after disapproval by the Elective Chief Executive Officer*.)

I hereby certify that the local law annexed hereto, ascribed as local law number _____ of 20____ of the (County)(City)(Town)(Village) of _____ was duly passed by the _____ on _____ 20____ and was
(Name of Legislative Body)
(approved)(not approved)(repassed after disapproval) by the _____
(Elective Chief Executive Officer)*
on _____ 20____ in accordance with the applicable provisions of law.

3. (Final adoption by referendum.)

I hereby certify that the local law annexed hereto, ascribed as local law number _____ of 20____ of the (County)(City)(Town)(Village) of _____ was duly passed by the _____ on _____ 20____ and was
(Name of Legislative Body)
(approved)(not approved)(repassed after disapproval) by the _____ on
(Elective Chief Executive Officer)*
_____ 20____.

Such local law was submitted to the people by reason of a (mandatory)(permissive) referendum, and received the affirmative vote of a majority of the qualified electors voting thereon at the (general)(special)(annual) election held on _____ 20____ in accordance with the applicable provisions of law.

4. (Subject to permissive referendum and final adoption because no valid petition was filed requesting referendum.)

I hereby certify that the local law annexed hereto, ascribed as local law number _____ of 20____ of the (County)(City)(Town)(Village) of _____ was duly passed by the _____ on _____ 20____ and was
(Name of Legislative Body)
(approved)(not approved)(repassed after disapproval) by the _____ on
(Elective Chief Executive Officer)*
_____ 20____. Such local law was subject to permissive referendum and no valid petition requesting such referendum was filed as of _____ 20____ in accordance with the applicable provisions of law.

* Elective Chief Executive Officer means or includes the chief executive officer of a county elected on a county-wide basis or, if there be none, the chairperson of the county legislative body, the mayor of a city or village, or the supervisor of a town where such officer is vested with the power to approve or veto local laws or ordinances.

~~5. (City local law concerning Charter revision proposed by petition.)~~

~~I hereby certify that the local law annexed hereto, ascribed as local law number _____ of 20 _____ of the City of _____ having submitted to referendum pursuant to the provisions of Section (36)(37) of the Municipal Home Rule Law, and having received the affirmative vote of a majority of the qualified electors of such city voting thereon at the (special)(general) election held on _____ 20 _____ became operative.~~

~~6. (County local law concerning adoption of Charter.)~~

~~I hereby certify that the local law annexed thereto, ascribed as local law number _____ of 20 _____ of the County of _____ State of New York, having been submitted to the electors at the General Election of November _____ 20 _____ pursuant to subdivisions 5 and 7 of section 33 of the Municipal Home Rule Law, and having received the affirmative vote of a majority of the qualified electors of the cities of said county as a unit and a majority of the qualified electors of the towns of said county considered as a unit voting at said general election, became operative.~~

(If any other authorized form of final adoption has been followed, please provide an appropriate certification.)

I further certify that I have compared the preceding local law with the original on file in this office and that the same is a correct transcript therefrom and of the whole of such original local law, and was finally adopted in the manner indicated in the paragraph 1 above.

Jennifer McCormick, Town Clerk

(Date)

TOWN OF CORNWALL, COUNTY OF ORANGE, STATE OF NEW YORK

INTRODUCTORY LOCAL LAW NO. ____ OF THE YEAR 2026

A LOCAL LAW ESTABLISHING AN ADDITIONAL SIX (6) MONTH MORATORIUM ON THE SUBMISSION AND PROCESSING OF APPLICATIONS FOR LAND USE APPROVALS WITHIN THE TOWN OF CORNWALL.

Be it enacted for a period of six (6) months by the Town of Cornwall as follows:

Section 1. Intent and Authority

This Local Law is adopted pursuant to the provisions of the Municipal Home Rule Law of the State of New York and Article 16 of the Town Law of the State of New York, with the procedural provisions of the Municipal Home Rule Law controlling.

Section 2. Short Title

This Local Law shall be known as: "The Town of Cornwall Development Moratorium Continuation Law of 2026."

Section 3. Definitions

"Code" means the Town of Cornwall Code.

"Land Use Approval" means any approval issued by the Planning Board for subdivisions, site plans, and special use permits, clearing and grading permits, as well as road opening or driveway permits issued by the Town Highway Superintendent.

"Plan" means the Town of Cornwall Comprehensive Plan, adopted on November 25, 2003 and updated on April 11, 2005, March 13, 2012 and May 22, 2019.

"Town" means the Town of Cornwall.

"Town Board" means the Town Board of the Town of Cornwall.

"Town Clerk" means the Town Clerk of the Town of Cornwall.

Section 4. Legislative Purpose

A. The purpose of this Local Law is to enable the Town to prevent the submission and processing of any applications for Land Use Approvals within the Town for a reasonable time pending the Town Board's completion and adoption of an update to the Plan.

B. It is further the purpose of this Local Law to fulfill the Town's constitutional, statutory, and legal obligations to protect and preserve the public health, welfare, and safety of the citizens of the Town, as well as to protect the value, use and enjoyment of property in the

Town by temporarily prohibiting the submission and processing of applications for Land Use Approvals within the Town.

C. The Town Board finds that the following concerns must be considered with respect to the Plan and present land use regulations of the Town and the possible adoption of regulations with respect thereto:

1. The regional and national economic environment has changed since the adoption of the Plan in 2003 and as updated since, most recently on March 22, 2019, as have the Town's residential and commercial markets.

2. Given the volatile economic climate in the region since the adoption of and updates to the Plan, there is the possibility that existing large institutions, including the New York Military Academy, may experience financial difficulties that prevent continued operation; thus, possible future changes in land use need to be considered for those and other locations within the Town.

3. The Town's current infrastructure and utility capacity may not be adequate to accommodate future potential land uses.

4. There may not be sufficient land area within designated commercial districts along NYS 9W and Route 94 to facilitate a vibrant commercial area within the Town.

5. The natural resources of the Town may not be adequately protected by the Plan or current land use regulations.

6. The scenic, environmental and aesthetic attributes of the Town as they relate to the use of land in the Town for residential, recreational, institutional and tourism purposes and the potential negative impact thereon by certain uses currently permitted under the Plan and the Code should be considered.

7. The need for additional recreational space, and improvements to existing spaces, should be considered.

8. The Town Board desires to protect the aesthetic and scenic resources within the Town. An up-to-date Comprehensive Plan is essential to protecting the long-term health, safety, and welfare of the Town residents.

D. That the submission and processing of applications for Land Use Approvals within the Town without first addressing the above factors may have a permanent, significant, and substantial negative impact on the nature and quality of life in the Town and on the health, safety, general welfare, and comfort of its residents.

E. That to preserve the resources and character of the Town, to consider further the concerns of the residents and property owners of the Town, and to address further the needs of those residents and property owners, the Town finds that it requires time to study the impacts, effects, and regulation of development within the Town.

F. The Town Board created a new Comprehensive Plan Committee to consider the existing Comprehensive Plan, and to prepare a current update to the Plan based on current conditions within the Town and region, taking into account public input from Town residents and other interested stakeholders. The Comprehensive Plan Committee completed a draft Comprehensive Plan Update and has referred it to the Town Board for its consideration and public review. On May 21, 2026 the Town Board convened a public hearing on the draft Comprehensive Plan Update, and the Town Board shall continue that public hearing as it considers the draft and the public's comments on the draft Plan Update.

G. A Comprehensive Plan serves as the foundational policy document guiding land use, zoning, infrastructure investment, and community character, and as a result it is essential that major development decisions made during this update process not conflict with the emerging vision or policy framework. Without a temporary moratorium, there is a risk that applications inconsistent with the anticipated direction of the new Plan could be approved, undermining its goals before they are even adopted. The moratorium extension would provide the Town with the additional time required to evaluate land use applications against updated community priorities without being locked into outdated policy and regulatory frameworks.

H. A moratorium ensures fairness and predictability for both applicants and residents by establishing a clear, temporary rule applicable to all. It avoids the appearance of favoritism or piecemeal decision-making while allowing the Comprehensive Plan Committee to engage meaningfully with the residents and stakeholders in a process that is not overshadowed by ongoing development pressure.

I. The Town Board hereby finds that a moratorium extension of six (6) months duration, coupled with exceptions as enumerated below, and a hardship waiver procedure and mechanism for persons seeking Land Use Approvals within the Town, will achieve the balancing of interests between the public need to safeguard the resources and character of the Town, the health, safety and general welfare of its residents, and the rights of individual property owners, persons, or businesses engaging in various development activities during such period.

Section 5: Imposition of Moratorium

J. For a period of six (6) months from and after the effective date of this Local Law, except as provided in Sections 6 and 7 below: (i) no new applications for Land Use Approvals shall be accepted or processed by the Town; and (ii) no previously submitted applications for Land Use Approvals will be further processed by the Town.

K. The Town Board may, by resolution, extend the duration of this moratorium for additional periods of ninety (90) days each, if the Town Board determines that such extensions are necessary to complete the Plan Update and any associated revisions to the Code.

Section 6: Exceptions

L. This Local Law shall not apply to the following:

1. Applications before the Town Planning Board for which there has been issued a preliminary or conditional final Land Use Approval before the effective date of this Local Law.

2. Applications seeking the amendment of any previously issued preliminary or conditional final Land Use Approval, provided that such approval has (1) not expired, and (2) will not result in the potential for one or more significant impacts to the environment.

3. Any pending Planning Board application for which SEQRA has been completed (i.e., the adoption of a negative declaration or SEQRA Findings Statement).

4. Applications that are classified as Type II actions under SEQRA.

5. Applications for approval of lot line changes and minor subdivisions of no more than two (2) lots.

6. Applications for site plans or site plan amendments resulting in less than 5,000 square feet of disturbance.

7. Applications for site plans or site plan amendments resulting in less than 10,000 square feet of disturbance located within the Town's General Commercial, Highway Commercial, or Planned Commercial Districts.

8. Applications relating to wireless telecommunications facilities within the Town pursuant to Code Section 158-22.1 et seq.

9. Applications for building permits for any structure that does not require Planning Board approval.

10. Applications for road opening or driveway permits issued by the Town Highway Superintendent, provided that any such permit is issued simultaneously with a building permit for any exception listed herein.

Section 5. Alleviation of Extraordinary Hardship

A. The Town Board may authorize exceptions to the moratorium imposed by this Local Law when it finds, based upon evidence presented to it, that deferral of action on an application for a Land Use Approval would impose an extraordinary hardship on a landowner or applicant.

B. An application for an exception based upon extraordinary hardship shall be filed with the Town Clerk, including a fee of one thousand and 00/100 Dollars ($1,000.00) for each tax map parcel claimed to be subject to extraordinary hardship, by the landowner or the applicant, upon the consent of the landowner. The application shall provide a recitation of the specific facts that are alleged to support the claim of extraordinary hardship and shall contain such other information and/or documentation as the Town Board or its designee, shall prescribe as necessary for the Town Board to be fully informed with respect to the application.

C. A public hearing on any application for an exception to this Local Law based upon extraordinary hardship shall be held by the Town Board at a meeting of the Town Board no later than forty-five (45) days after the complete application for extraordinary hardship has been filed with the Town Clerk. The Town Board shall determine, by motion duly adopted, when an application based upon extraordinary hardship is complete.

D. In reviewing an application for an exception based upon a claim of extraordinary hardship, the Town Board shall consider the following criteria:

1. The extent to which the proposed development activity would cause significant environmental degradation, adversely impact adjacent natural resource areas, public health, comfort or safety concerns and/or have a negative impact upon the Town, considering the factors set forth in Section 4 of this Local Law.

2. Whether the moratorium will expose a property owner or applicant to substantial monetary liability to a third person or would leave the property owner or applicant completely unable, after a thorough review of alternative solutions, to have a reasonable alternative use of the property.

3. The extent to which actions of the applicant were undertaken in good faith belief that the proposed development would not lead to significant environmental degradation, undue adverse impacts on public health or safety, and/or have a negative impact upon the Town of Cornwall considering the factors set forth in Section 4 of this Local Law.

E. Mere delay or concern that regulations may be adopted or that the Plan may be amended is insufficient to constitute an extraordinary hardship under this section.

F. At the conclusion of the public hearing and after reviewing the evidence and testimony placed before it, the Town Board shall, in its sole discretion, act upon the application for an exception based upon extraordinary hardship. The Town Board may approve, deny or approve in part and deny in part the application being acted upon.

Section 6. Penalties

A violation of this Local Law is hereby declared to be an offense punishable by a fine not to exceed $250.00 or imprisonment for a period not to exceed fifteen (15) days, or both such fine and imprisonment, together with any other civil remedies available at law.

Section 7. Superseding and Repealer Provisions

This Local Law shall supersede the applicable sections of Article 16 of the Town Law, including, but not necessarily limited to Sections, 130, 261, 262, 263, 264, 265, 267, 268, 269 and 274-a, and Executive Law Section 381 to the extent inconsistent with the same and to the extent permitted by the New York State Constitution, the Municipal Home Rule Law or any other statute determined to be in conflict with the provisions hereof.

Section 8. Validity

In the event that any section, sentence, clause or phrase of this Local Law is held to be invalid or unconstitutional by any court of competent jurisdiction, said holding shall in no way affect the validity of the remaining portions of this Local Law.

Section 9. Effective Date

This Local Law shall become effective upon filing with the Secretary of State of the State of New York subsequent to having been duly adopted by the Town Board.

I hereby certify that the Local Law annexed hereto, designated as Local Law No. ____ of the year 2026, of the Town of Cornwall was duly passed by the Town Board on _____ __, 2026, in accordance with the applicable provisions of law.

I further certify that I have compared the preceding Local Law with the original on file in this office and that the same is a correct transcript therefrom and of the whole of such original Local Law, and was finally adopted in the manner indicated in paragraph 1 above.

Cornwall, NY 12518

RE: *Approval of Star Warehouse Stormwater Control Facility Maintenance Agreement*

Dear Supervisor Wojehowski and Members of the Town Board:

My firm office represents Cornwall Properties, LLC in connection with the above-referenced matter. Enclosed for your review and approval is the Stormwater Control Facility Maintenance Agreement between my client and the Town for the expansion of the Star Warehouse, tax lot 33-1-49.12, the site plan for which was previously approved by the Planning Board. The Agreement was previously provided to Town Attorney Dominic Cordisco for review and approval.

We respectfully request that the Town Board place the Star Warehouse Stormwater Control Facility Maintenance Agreement on its next meeting agenda for review and approval. Thank you for your consideration.

Respectfully submitted,

Robert S. Rosborough IV

Enclosure

cc: Dominic Cordisco, Esq.
Nick Rugnetta, Pietrzak & Pfau

Town of Cornwall
Orange County, New York
Stormwater Control Facility Maintenance Agreement

Whereas, the **TOWN OF CORNWALL**, Orange County, New York ("the Town"), a municipal corporation with an office located at 183 Main Street, Cornwall, New York 12518 and **CORNWALL PROPERTIES, LLC**, a New York limited liability company having an address at 1600 63rd Street, Brooklyn, New York 11204 ("the Facility Owner"), want to enter into an agreement to provide for the long term construction, maintenance and continuation of stormwater control measures approved by the Town for the project described in the project plans referred to below for property identified as tax lot 33-1-49.12 and further described on certain approved plan entitled "Star Warehouse Expansion Plan" prepared by Pietrzak & Pfau Engineering and Surveying, PLLC last revised on November 27, 2024 (the "Premises")

Whereas, there exists certain approved project plans ("Site Plans") entitled "Star Warehouse Expansion Plan," prepared by Pietrzak & Pfau Engineering and Surveying, PLLC, dated July 26, 2010 and last revised November 27, 2024, which is intended to be one and the same Site Plan as approved by the Planning Board, which plans depict the aforementioned stormwater control measures, which stormwater control measures the Facility Owner represents to the Town were designed in accordance with the prevailing and required stormwater control and treatment practices and regulations required by the Town and/or the New York State Department of Environmental Conservation ("DEC"), and

Whereas, the Town and the Facility Owner desire that the stormwater control measures be built in accordance with the Site Plan and thereafter be maintained, cleaned, repaired, replaced and continued in perpetuity by the Facility Owner, its heirs, successors and assigns in order to ensure the ongoing and intended performance of the components, and

Whereas, the stormwater control measures may also need to be periodically maintained, cleaned, repaired, and/or replaced to function in accordance with such practices and/or regulations as may be amended and/or revised from time-to-time by the governing body having jurisdiction over the same, and

Now, therefore, the Town and the Facility Owner agree as follows:

1. This agreement binds the Town and the Facility Owner, its heirs, successors and assigns, to the construction, maintenance and continuation of stormwater control measures depicted in the approved Site Plans that are attached as **Schedule A** of this agreement and made a part hereof. The stormwater control measures may include, but shall not be limited to, the following: drainage ditches, swales, dry wells, infiltrators, drop inlets, pipes, culverts, soil absorption devices, catch basins, manholes and stormwater treatment and management ponds.

2. The Facility Owner, its heirs, successors and assigns shall be responsible for all expenses

related to the construction, maintenance and continuation of the stormwater control measures and shall establish a means for the collection and distribution of expenses among parties for any commonly owned facilities.

3. The Facility Owner, its heirs, successors and assigns shall provide for the periodic inspection of the stormwater control measures, not less than once in every three year period, to determine the condition and integrity of the measures. Such inspection shall be performed by a Professional Engineer licensed by the State of New York. The inspecting engineer shall prepare and submit to the Town, within thirty days of the inspection, a written report of the findings including recommendations for those actions necessary for the repair and/or continuation of the stormwater control measures.

4. The Facility Owner, its heirs, successors and assigns shall maintain, clean, repair, replace and continue the stormwater control measures depicted in **Schedule A** as necessary to ensure their intended performance. At a minimum, the Facility Owner shall perform the tri-annual maintenance described in **Schedule B** hereto. Such maintenance shall be performed at least once every third calendar year. As part of such tri-annual maintenance, the Facility Owner shall also perform such work as recommended in the report prepared by the Professional Engineer in accordance with paragraph 3 above. Within thirty (30) days of the tri-annual maintenance being completed, the Facility Owner shall submit to the Town a verified statement attesting to the fact that the maintenance measures set forth on **Schedule B** have been completed and that the work recommended by the Professional Engineer has also been completed.

5. The Facility Owner, its heirs, successors and assigns shall not authorize, undertake or permit alteration, abandonment, modification or discontinuation of the stormwater control measures except in accordance with written approval of the Town, which approval the Town can withhold in its sole discretion.

6. The Facility Owner, its heirs, successors and assigns shall undertake necessary repairs and replacement of the stormwater control measures at the direction of the Town or in accordance with the recommendations of the inspecting engineer. The Town's right to require repairs and/or replacement shall not constitute a special duty, and it shall not relieve the Facility Owner of any obligation imposed on the Facility Owner by applicable law.

7. The Facility Owner, its heirs, successors and assigns shall provide to the Town within sixty (60) days of demand by notice therefor such financial security as is reasonable required by the Town. The financial security shall be for a sum of money that is sufficient for the maintenance and continuation of the stormwater control measures, and the sum of money shall be determined by the Town Engineer. The financial security shall be in the form of a letter of credit, performance bond or deposit of money into an escrow account maintained by the Town. If the security is via a letter of credit or performance bond, then it shall be a form satisfactory to the attorney and for the Town. The Town can require additional security to be posted by the Facility Owner by giving thirty (30) days advance written

notice to the Facility Owner, which notice shall be mailed to the last known address for the Facility Owner that is on record with the Assessor of the Town.

8. The Facility Owner irrevocably gives permission to the Town to enter the Premises and perform such inspections and/or patrols of the Premises as the Town deems, in its sole discretion, to be reasonably necessary to investigate the performance of the stormwater control measures and Facility Owner's performance of its obligations hereunder. Such inspections and/or patrols can be performed by the Town without notice or pre-conditions as the Town considers appropriate under the circumstances. Said inspections and/or patrols can be performed by any authorized person acting on behalf of the Town, including, but not limited to, its police officers, and/or code enforcement personnel. The permission granted hereby is in addition to any other right the Town has to inspect the Premises, and it is not a limitation thereof. This permission shall not be revoked so long as the Premises is used and operated on property within the Town of Wallkill that is open to the public and/or pursuant to an approved site plan or special use permit.

9. This agreement shall be recorded in the office of the County Clerk, County of Orange together with any deed for the common property, if any, and shall be included in the offering plan and/or prospectus, if applicable to the Site Plan. This agreement and the requirements contained herein (including the requirements set forth in Schedule A) shall run with the land and shall bind the Facility Owner, its heirs, successors and assigns forever. The Facility Owner, its heirs, successors and assigns agree to execute any documents required by the Town in connection with this agreement and the implementation of this agreement, and failure to so execute any such documents shall constitute a violation of this agreement.

10. If the Town determines that the Facility Owner, its heirs, successors and assigns has failed to construct or maintain the stormwater control measures in accordance with the Site Plan or has failed to undertake corrective action specified by the Town or by the inspecting engineer, or if the Facility Owner, its heirs, successors and assigns has failed to execute any documents required by the Town in connection with this agreement and the implementation of this agreement, and/or failed to post such security as required by the Town, then the Town is authorized to undertake such steps as may be reasonably necessary for the preservation, continuation or maintenance of the stormwater control measures and to affix the expenses thereof as a lien against the property and/or levy and collect such expenses in the same form and manner as taxes are levied and collected on the Premises. The Town is authorized to take any and all other actions against the Facility Owner, its heirs, successors and assigns as may be allowed by local, County, State or Federal Law to enforce this agreement and/or collect any expenses incurred by the Town, to bring about performance of the Facility Owner's obligations hereunder.

11. In addition and without limitation to any other penal provision and/or enforcement mechanism available to the Town, it shall be a violation of the provisions of Chapter 121 of the Town Code of the Town of Cornwall to fail to maintain the stormwater control measures in conformity with the approved Site Plan, this Agreement or

applicable law. Any such violations shall be punishable as provided under applicable law, including enforcement action by the Town Building Inspector.

12. Whenever reference is made in this agreement to "the Town," the same shall be deemed to mean agents, elected officials, officers, employees and subcontractors of and consultants to the Town. Whenever reference is made in this agreement to "Facility Owner," the same shall be deemed to also refer to the Facility Owner's directors, officers, consultants and successors.

13. This agreement is effective as of _____ ____, 2025.

* PER TAX MAP INFORMATION

GENERAL NOTES:

1. TAX MAP DESIGNATION SECTION 33, BLOCK 1, LOT 49.12.
2. TOTAL AREA OF PARCEL 38.96 ACRES (TAX MAP).
3. TOTAL AREA OF WAREHOUSE EXPANSION = 50,000 SQ.FT.
4. PROPERTY LIES WITHIN THE PID (PLANNED INDUSTRIAL/OFFICE ZONING DISTRICT).
5. PROPOSED PROJECT TO BE SERVICE BY EXISTING FACILITIES (NO NEW FACILITIES REQUIRED).
6. ALL UTILITY SERVICE TO THE SITE SHALL BE UNDERGROUND.
7. NO ADDITIONAL EMPLOYEES WILL BE REQUIRED BY THE EXPANSION OF THE EXISTING FACILITIES. EXPANSION IS FOR ADDITIONAL STORAGE SPACE ONLY.
8. ALL DUMPSTERS ARE TO BE MOVED A MINIMUM OF TEN FEET FROM THE EXISTING FACILITY AND TO BE LOCATED WITHIN A DUMPSTER ENCLOSURE.
9. THE EXISTING WATER TOWER IS TO BE REMOVED FROM THE SITE PRIOR TO THE ISSUANCE OF THE CERTIFICATE OF OCCUPANCY.
10. PROPOSED WATER STORAGE TANK TO BE PAINTED A NON-REFLECTIVE BLUE OR OTHER NATURAL COLOR TO BLEND IN WITH THE SURROUNDING LANDSCAPE. THE APPLICANT SHALL PROVIDE THE PROPOSED COLOR OF THE WATER STORAGE TANK WITH THE BUILDING PERMIT PLANS.
11. HOURS OF OPERATION ARE TO REMAIN UNCHANGED FROM THE EXISTING HOURS (8:00 AM TO 5:30 PM MONDAY THROUGH FRIDAY AND 9:00 AM TO 12:00 PM ON SUNDAY).
12. THE EXISTING PORTION AND PROPOSED PORTION OF THE BUILDING ARE TO BE PROTECTED BY FIRE SPRINKLER SYSTEMS.
13. THE OWNER/APPLICANT'S ENVIRONMENTAL CONSULTANT IS TO PREPARE THE REQUIRED DOCUMENTS PRIOR TO THE ISSUANCE OF A BUILDING PERMIT TO THE HVSDEC AND TOWN BUILDING DEPARTMENT.
14. NO PETROLEUM OR HAZARDOUS MATERIALS SHALL BE STORED IN THE EXISTING OR PROPOSED WAREHOUSE EXPANSION SPACE. ALL HOUSE STORAGE AND DISPOSAL SHALL MEET THE REQUIREMENTS OF THE TOWN CODE.

SURVEY NOTES:

1. UNAUTHORIZED ALTERATION OR ADDITION TO A SURVEY MAP BEARING A LICENSED LAND SURVEYOR'S SEAL IS A VIOLATION OF SECTION 7209, SUBDIVISION 2 OF THE N.Y.S. EDUCATION LAW.
2. ONLY COPIES FROM THIS ORIGINAL OF THIS SURVEY MARKED WITH AN ORIGINAL OF THE LAND SURVEYOR'S INKED SEAL OR HIS EMBOSSED SEAL SHALL BE CONSIDERED TO BE VALID TRUE COPIES.
3. CERTIFICATIONS INDICATED HEREON SIGNIFY THAT THIS SURVEY WAS PREPARED IN ACCORDANCE WITH THE EXISTING CODE OF PRACTICE FOR LAND SURVEYS ADOPTED BY THE NEW YORK STATE ASSOCIATION OF PROFESSIONAL LAND SURVEYORS. SAID CERTIFICATIONS SHALL RUN ONLY TO THE PERSON FOR WHOM THE SURVEY IS PREPARED, AND ON HIS BEHALF TO THE TITLE COMPANY, GOVERNMENTAL AGENCY AND LENDING INSTITUTION LISTED HEREON. CERTIFICATIONS ARE NOT TRANSFERABLE TO ADDITIONAL INSTITUTIONS OR SUBSEQUENT OWNERS.
4. UNDERGROUND IMPROVEMENTS OR ENCROACHMENTS, IF ANY, ARE NOT SHOWN HEREON.
5. CONTACT UTILITY COMPANIES PRIOR TO ANY CONSTRUCTION AS UNDERGROUND IMPROVEMENTS MAY EXIST WHICH WERE NOT LOCATED AT THE TIME OF THIS SURVEY.
6. ALL INTERIOR FEATURES ARE NOT SHOWN HEREON.
7. SUBJECT TO AN UP TO DATE AND ACCURATE TITLE REPORT.
8. SUBJECT TO ANY EASEMENTS OR AGREEMENTS, IF ANY.
9. SUBJECT TO ANY RIGHTS, TITLE OR INTEREST BY OTHERS TO PROPERTY IN/AND OR ALONG THE ROADWAYS SHOWN HEREON.
10. SUBJECT TO ANY RIGHTS, TITLE, EASEMENTS, OR INTEREST BY UTILITY COMPANIES TO UTILITIES RUNNING IN AND/OR ALONG SAID PARCELS.
11. ENCROACHMENT AREAS, IF ANY, SHOWN HEREON, WHICH ARE OCCUPIED BY OTHERS, MAY OR MAY NOT AFFECT PROPERTY RIGHTS, TITLE, AND/OR INTEREST TO THESE AREAS.
12. PARTIAL TOPOGRAPHY AND SOME EXISTING FEATURES BASED ON A FIELD SURVEY PREPARED BY PIETRZAK & PFAU, PLLC APRIL 22, 2015.

EROSION CONTROL SEQUENCE

MEASURES SHALL BE TAKEN TO PREVENT SOIL EROSION DURING PROJECT CONSTRUCTION. ALL FRESHLY DISTURBED AREAS THAT WILL REMAIN DISTURBED FOR MORE THAN A PERIOD OF FOURTEEN (14) DAYS SHALL BE STABILIZED BY TEMPORARY SEEDING AS INDICATED ON THE TEMPORARY SEEDING SCHEDULE. DISTURBED AREAS SHALL BE MAINTAINED IN GOOD AND SHALL NOT EXCEED THE APPROVED CLEARING AND GRADING LIMITS. THE FOLLOWING MEASURES SHALL BE IMPLEMENTED AS CONSTRUCTION PROGRESSES:

A. PRIOR TO COMMENCING CONSTRUCTION ACTIVITIES, A MEETING SHALL BE HELD WITH TOWN REPRESENTATIVES, THE CONTRACTOR, AND SITE ENGINEER TO RESOLVE ANY OUTSTANDING QUESTIONS PRIOR TO GROUND DISTURBANCE. THE LIMITS OF CLEARING AND GRADING SHALL BE MARKED. FILTER FABRIC SEDIMENTATION BARRIERS (SILT FENCE) SHALL BE PLACED ALONG THE DOWNGRADE PERIMETER OF THE SITE, AND ANY OTHER AREAS WHERE SILT FENCE IS INDICATED AS TO BE INSTALLED PRIOR TO CONSTRUCTION ON THE APPROVED PLANS. INSTALLATION IS TO BEGIN AT THE DOWNSTREAM PORTIONS OF THE SITE THEN WORKING UPSTREAM.

B. STABILIZED CONSTRUCTION ENTRANCES SHALL BE BUILT IN THE AREAS SHOWN ON THE APPROVED PLANS AND WHEREVER A CONSTRUCTION ACCESS ROAD INTERSECTS ANY PUBLIC THOROUGHFARE. STABILIZED ENTRANCES SHALL BE BUILT IN ACCORDANCE WITH THE STABILIZED CONSTRUCTION ENTRANCE DETAIL.

C. UPON COMPLETION OF CLEARING AND GRUBBING ACTIVITIES, TOPSOIL SHALL BE STRIPPED AND STOCKPILED FROM ALL AREAS TO BE DISTURBED. STOCKPILED TOPSOIL SHALL BE STABILIZED BY TEMPORARY SEEDING AND SURROUNDED WITH A PERIMETER SILT FENCE.

D. TEMPORARY EROSION CONTROL DEVICES SHALL BE INSTALLED PRIOR TO COMMENCING EARTH MOVING ACTIVITIES. THIS INCLUDES SEDIMENTATION TRAPS, TYPE 'D' EXCESSION SWALES (WITH CHECK DAMS IF APPLICABLE) AND SILT FENCE IN AREAS NOT DESIGNATED TO BE GRADED. INSTALLATION SHALL BEGIN AT DOWNSTREAM PORTIONS OF THE SITE THEN WORKING UPSTREAM.

E. IMMEDIATELY AFTER COMPLETION OF ROUGH GRADING, REMAINING TEMPORARY EROSION CONTROL SHALL BE INSTALLED AS SPECIFIED ON THE APPROVED PLANS. THIS INCLUDES ANY REMAINING SILT FENCE AND TYPE 'A' DIVERSION SWALES (WITH CHECK DAMS IF APPLICABLE). AREAS NOT REQUIRING FURTHER EARTHWORK SHALL BE FINE GRADED, TOPSOILED, AND STABILIZED AS EARLY AS POSSIBLE.

F. ANY PROPOSED STORM DRAINAGE SHALL BE INSTALLED AND INCORPORATED INTO EROSION CONTROL AS SPECIFIED ON THE APPROVED PLANS. STORM DRAINAGE COMPONENTS SHALL BE PROTECTED FROM SILTATION AS INDICATED.

G. UPON COMPLETION OF CONSTRUCTION ACTIVITIES, REMAINING AREAS SHALL BE FINE GRADED, TOPSOILED, AND STABILIZED. PERMANENT VEGETATION AND LANDSCAPING SHALL BE ESTABLISHED.

H. TEMPORARY EROSION CONTROL DEVICES SHALL BE REMOVED ONCE UPSTREAM AREAS HAVE BEEN PERMANENTLY STABILIZED. REMOVAL OF TEMPORARY EROSION CONTROL DEVICES SHALL BEGIN WITH THE MOST UPSTREAM PORTIONS OF THE SITE THEN WORKING DOWNSTREAM.

I. ALL NEWLY SEEDED VEGETATIVE COVER (LAWNS) SHALL BE MAINTAINED. WASHOUTS OR POORLY GROWING AREAS SHALL BE CORRECTED AS THEY OCCUR.

GENERAL EROSION CONTROL NOTES

- FILTER FABRIC IS TO BE MIRAFI 140 AS MANUFACTURED BY THE CELANESE CORPORATION OR APPROVED EQUAL.
- WHEREVER FEASIBLE, NATURAL VEGETATION SHOULD BE RETAINED AND PROTECTED.
- ONLY THE SMALLEST PRACTICAL AREA OF LAND SHOULD BE EXPOSED AT ANY ONE TIME DURING DEVELOPMENT.
- WHEN LAND IS EXPOSED DURING DEVELOPMENT, THE EXPOSURE SHALL BE KEPT TO THE SHORTEST PRACTICAL PERIOD OF TIME.
- ALL WORK SHALL BE IN ACCORDANCE WITH ALL OF THE ATTACHED DRAWINGS.

MAINTENANCE REQUIREMENTS

- THE MAINTENANCE OF EROSION CONTROL DEVICES WILL BE THE RESPONSIBILITY OF THE CONTRACTOR. THE GENERAL SUPERINTENDENT WILL MONITOR THE CONDITION OF ALL THE DEVICES. CLEAN OR REPLACE STRUCTURES AS CLIMATIC CONDITIONS REQUIRE. THE DEVELOPER WILL ALSO BE SUBJECT TO THE DIRECTIVE OF THE DESIGN ENGINEER AND TOWN REPRESENTATIVES TO INCLUDE TOWN ENGINEER, HIGHWAY SUPERINTENDENT AND BUILDING INSPECTOR.
- GENERAL CONTRACTOR AND ALL CONTRACTORS SHALL PERFORM ALL WORK IN ACCORDANCE WITH THE APPROVED PLANS AND MAY BE SUBJECT TO ADDITIONAL EROSION CONTROL REQUIREMENTS AS CONDITIONS MAY ARISE IN THE FIELD OR AS DIRECTED BY THE DESIGN ENGINEER.
- THE CONTRACTOR SHALL MAINTAIN ALL EROSION CONTROL DEVICES IN ACCORDANCE WITH THE APPROVED PLANS, MANUFACTURER'S RECOMMENDATIONS AS DIRECTED BY THE DESIGN ENGINEER AND TOWN REPRESENTATIVES INCLUDING TOWN ENGINEER, HIGHWAY SUPERINTENDENT AND BUILDING INSPECTOR.
- NO EROSION CONTROL STRUCTURES SHALL BE REMOVED UNTIL ALL WORK UPSTREAM THEREFROM AND DITCH COMPLETED, INCLUDING STABILIZATION AND APPROVED BY THE DESIGN ENGINEER AND TOWN REPRESENTATIVES.
- CONSTRUCTION ACTIVITIES TO BE LIMITED TO THE PERIOD OF 7:00 AM TO 7:00 PM.
- ALL CONSTRUCTION EQUIPMENT SHALL HAVE PROPERLY SIZED MUFFLERS.
- ALL CONSTRUCTION EQUIPMENT SHALL BE TURNED OFF WHEN NOT IN USE.

SLOPE STABILIZATION, SEEDING METHOD & MULCHING

SLOPES OF 4:1 OR GREATER (HORIZONTAL:VERTICAL)

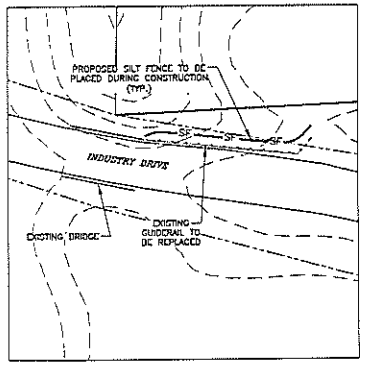

-SLOPES SHALL BE HYDROSEEDED WITH THE MIXTURES AND RATES INDICATED IN THE PERMANENT SEEDING MIXTURE SCHEDULE. STRAW OR HAY MULCH SHALL BE APPLIED AT A RATE OF 2000 LBS/ACRE. STRAW OF HAY MULCH SHALL BE ANCHORED WITH BIODEGRADABLE NETTING AS MANUFACTURED BY POLYANKA INTERNATIONAL OR APPROVED EQUIVALENT. NETTING TO BE INSTALLED PER MANUFACTURER SPECIFICATIONS.

GENTLE SLOPES AND FLAT AREAS

-AREAS SHALL BE SEEDED BY HYDROSEEDING OR BROADCASTING WITH THE MIXTURES AND RATES INDICATED ON THE PERMANENT SEEDING MIXTURE SCHEDULE. HYDROSEEDED AREAS SHALL BE MULCHED WITH A WOOD FIBER MULCH APPLIED AT A RATE OF 500 LBS/ACRE. BROADCAST AREAS SHALL MULCHED WITH HAY OR STRAW AT A RATE OF 2000 LBS/ACRE. AREAS SEEDED BY BROADCASTING SHALL BE LIGHTLY RAKED AND PACKED PRIOR TO PLACING MULCH.

STREAMS, DRAINAGE SWALES AND EMBANKMENTS

- ALL CONSTRUCTION ACTIVITIES IN OR EXISTING AROUND DRAINAGE COURSES OR WETLANDS AND TO BE PROVIDED WITH TEMPORARY EROSION CONTROL STRUCTURES AS SHOWN IN DETAIL, LOCATED IMMEDIATELY DOWNSTREAM FROM SUCH ACTIVITY. THESE STRUCTURES ARE TO BE IN PLACE AS SHOWN PRIOR TO THE START OF ANY UPSTREAM CONSTRUCTION ACTIVITY.
- CONSTRUCTION EQUIPMENT SHALL NOT UNNECESSARILY CROSS LIVE WATERWAYS OR DRAINAGE SWALES EXCEPT BY MEANS OF BRIDGES AND CULVERTS OR OTHER APPROVED METHODS.
- ALL EMBANKMENTS TO BE GRADED AND SEEDED IMMEDIATELY UPON FILLING AND BACK.
- STABILIZATION OF THE SWALES WILL INCLUDE SEEDING AND STRAW MULCH ON SLOPES LESS THAN 5% AND JUTE MATTING ON EQUAL OR SLOPES EXCEEDING 5%.
- TOPSOIL AND/OR EARTH STOCKPILE SHALL BE LOCATED OUTSIDE OF EXISTING DRAINAGE SWALES, WETLANDS AND ADJACENT AREAS. SILT FENCES WILL BE PLACED ALONG THE TOE OF THE PILES AND THOSE PILES SHALL RECEIVE TEMPORARY SEEDING.

TOWN OF CORNWALL LIGHTING NOTE

PLANNING BOARD'S ACCEPTANCE OF THE LIGHTING DESIGN SHOWN HEREON IS PREMISED ON THE REPRESENTATION OF THE APPLICANT THAT THE LIGHTING WILL NOT CAUSE A GLARE OR OTHER DELETERIOUS EFFECT ON ADJOINING PROPERTIES AND/OR ROADWAY TRAFFIC. SHOULD ANY SUCH CONDITIONS RESULT FROM THE INSTALLATION, IN THE SOLE OPINION OF THE AUTHORIZED REPRESENTATIVES OF THE TOWN, THE APPLICANT AGREES TO MODIFY AND/OR REPLACE FIXTURES TO CAUSE THE CORRECTION OF THE CONDITION, TO THE SATISFACTION OF THE TOWN REPRESENTATIVES.

N/A OF N/A	N/A OF N/A	5 OF 14
SCALE: 1"=30'	DIG REFERENCE / WORKING DRAWING	PROJECT NUMBER: 23100.01

CONSTRUCTION SPECIFICATIONS

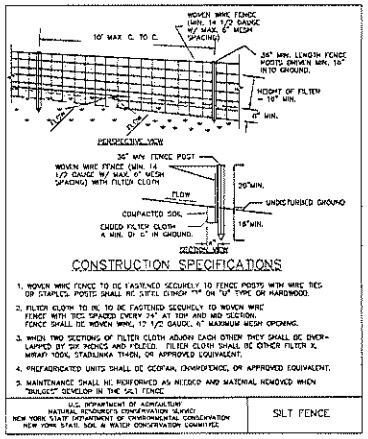

1. ALL TEMPORARY SWALES SHALL HAVE UNINTERRUPTED POSITIVE GRADE TO AN OUTLET.
2. DIVERTED RUNOFF FROM A DISTURBED AREA SHALL BE CONVEYED TO A SEDIMENT TRAPPING DEVICE.
3. DIVERTED RUNOFF FROM AN UNDISTURBED AREA SHALL OUTLET DIRECTLY INTO AN UNDISTURBED STABILIZED AREA AT NON-EROSIVE VELOCITY.
4. ALL TREES, BRUSH, STUMPS, OBSTRUCTIONS, AND OTHER OBJECTIONABLE MATERIAL SHALL BE REMOVED AND DISPOSED OF SO AS NOT TO INTERFERE WITH THE PROPER FUNCTIONING OF THE SWALE.
5. THE SWALE SHALL BE EXCAVATED OR SHAPED TO LINE, GRADE, AND CROSS SECTION AS REQUIRED TO MEET THE CRITERIA SPECIFIED HEREIN AND BE FREE OF BANK PROJECTIONS OR OTHER IRREGULARITIES WHICH WILL IMPEDE NORMAL FLOW.
6. FILLS SHALL BE COMPACTED BY EARTH MOVING EQUIPMENT.
7. ALL EARTH REMOVED AND NOT NEEDED FOR CONSTRUCTION SHALL BE PLACED SO THAT IT WILL NOT INTERFERE WITH THE FUNCTIONING OF THE SWALE.
8. STABILIZATION SHALL BE AS PER THE FLOW CHANNEL STABILIZATION CHART BELOW.

TYPE OF CHANNEL TREATMENT	GRADE	M/A AC. OR LESS)	RFD AC. >16AC)
1	0.5-3.0%	SEED AND STRAW MULCH	SEED AND STRAW MULCH
2	3.1-8.0%	SEED AND STRAW MULCH	SEED USING JUTE OR EXCELSIOR
3	8.1-4.0%	SEED WITH JUTE OR EXCELSIOR, SOD	LINED WITH 4-6" RIP-RAP OR RECYCLED CONCRETE EQUIVALENT
4	8.1-20.0	LINED WITH 4-6" RIP-RAP	ENGINEERED DESIGN

9. PERIODIC INSPECTION AND REQUIRED MAINTENANCE MUST BE PROVIDED AFTER EACH RAIN EVENT.

TEMPORARY SWALE

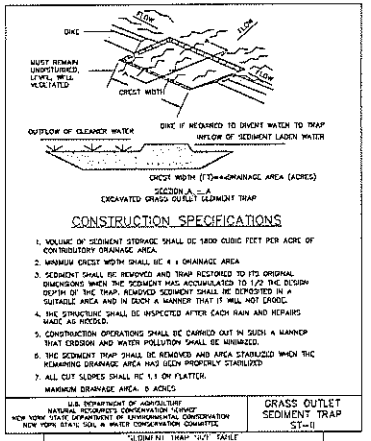

CONSTRUCTION SPECIFICATIONS

1. WOVEN WIRE FENCE TO BE FASTENED SECURELY TO FENCE POSTS WITH WIRE TIES OR STAPLES. POSTS SHALL BE STEEL EITHER T OR U TYPE OR HARDWOOD.
2. FILTER CLOTH TO BE TO BE FASTENED SECURELY TO WOVEN WIRE FENCE WITH TIES SPACED EVERY 24" AT TOP AND MID SECTION. FENCE SHALL BE WOVEN WIRE, 17 1/2 GAUGE, 6" MAXIMUM MESH OPENING.
3. WHEN TWO SECTIONS OF FILTER CLOTH ADJOIN EACH OTHER THEY SHALL BE OVERLAPPED BY SIX INCHES AND FOLDED. FILTER CLOTH SHALL BE OTHER FILTER X, MIRAFI 100X, STABLINKA T140N, OR APPROVED EQUIVALENT.
4. PREFABRICATED UNITS SHALL BE GEOFAB, ENVIROFENCE, OR APPROVED EQUIVALENT.
5. MAINTENANCE SHALL BE PERFORMED AS NEEDED AND MATERIAL REMOVED WHEN "BULGES" DEVELOP IN THE SILT FENCE.

U.S. DEPARTMENT OF AGRICULTURE
NATURAL RESOURCE'S CONSERVATION SERVICE
NEW YORK STATE DEPARTMENT OF ENVIRONMENTAL CONSERVATION
NEW YORK STATE SOIL & WATER CONSERVATION COMMITTEE

SILT FENCE

CONSTRUCTION SPECIFICATIONS

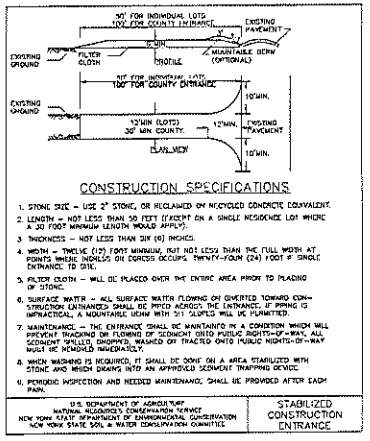

1. VOLUME OF SEDIMENT STORAGE SHALL BE 1800 CUBIC FEET PER ACRE OF CONTRIBUTORY DRAINAGE AREA.
2. MINIMUM CREST WIDTH SHALL BE 4 x DRAINAGE AREA
3. SEDIMENT SHALL BE REMOVED AND TRAP RESTORED TO ITS ORIGINAL DIMENSIONS WHEN THE SEDIMENT HAS ACCUMULATED TO 1/2 THE DESIGN DEPTH OF THE TRAP. REMOVED SEDIMENT SHALL BE DEPOSITED IN A SUITABLE AREA AND IN SUCH A MANNER THAT IT WILL NOT ERODE.
4. THE STRUCTURE SHALL BE INSPECTED AFTER EACH RAIN AND REPAIRS MADE AS NEEDED.
5. CONSTRUCTION OPERATIONS SHALL BE CARRIED OUT IN SUCH A MANNER THAT EROSION AND WATER POLLUTION SHALL BE MINIMIZED.
6. THE SEDIMENT TRAP SHALL BE REMOVED AND AREA STABILIZED WHEN THE REMAINING DRAINAGE AREA HAS BEEN PROPERLY STABILIZED.
7. ALL CUT SLOPES SHALL BE 1:1 OR FLATTER.

MAXIMUM DRAINAGE AREA: 5 ACRES

"SLOPE" TRAP "OUT" TABLE		
REQUIRED TRAP SIZE (CU.FT.)	TRAP SIZE	MINIMUM CREST WIDTH
5,400	*	12'

U.S. DEPARTMENT OF AGRICULTURE

GRASS OUTLET SEDIMENT TRAP ST-II

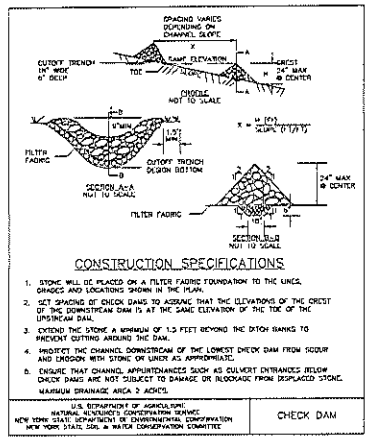

CONSTRUCTION SPECIFICATIONS

1. STONE SIZE - USE 2" STONE, OR RECLAIMED OR RECYCLED CONCRETE EQUIVALENT.
2. LENGTH - NOT LESS THAN 50 FEET (EXCEPT ON A SINGLE RESIDENCE LOT WHERE A 30 FOOT MINIMUM LENGTH WOULD APPLY).
3. THICKNESS - NOT LESS THAN SIX (6) INCHES.
4. WIDTH - TWELVE (12) FOOT MINIMUM, BUT NOT LESS THAN THE FULL WIDTH AT POINTS WHERE INGRESS OR EGRESS OCCURS. TWENTY-FOUR (24) FOOT IF SINGLE ENTRANCE TO SITE.
5. FILTER CLOTH - WILL BE PLACED OVER THE ENTIRE AREA PRIOR TO PLACING OF STONE.
6. SURFACE WATER - ALL SURFACE WATER FLOWING OR DIVERTED TOWARD CONSTRUCTION ENTRANCES SHALL BE PIPED ACROSS THE ENTRANCE, IF PIPING IS IMPRACTICAL, A MOUNTABLE BERM WITH 5:1 SLOPES WILL BE PERMITTED.
7. MAINTENANCE - THE ENTRANCE SHALL BE MAINTAINED IN A CONDITION WHICH WILL PREVENT TRACKING OR FLOWING OF SEDIMENT ONTO PUBLIC RIGHTS-OF-WAY. ALL SEDIMENT SPILLED, DROPPED, WASHED OR TRACKED ONTO PUBLIC RIGHTS-OF-WAY MUST BE REMOVED IMMEDIATELY.
8. WHEN WASHING IS REQUIRED, IT SHALL BE DONE ON AN AREA STABILIZED WITH STONE AND WHICH DRAINS INTO AN APPROVED SEDIMENT TRAPPING DEVICE.
9. PERIODIC INSPECTION AND NEEDED MAINTENANCE SHALL BE PROVIDED AFTER EACH RAIN.

STABILIZED CONSTRUCTION ENTRANCE

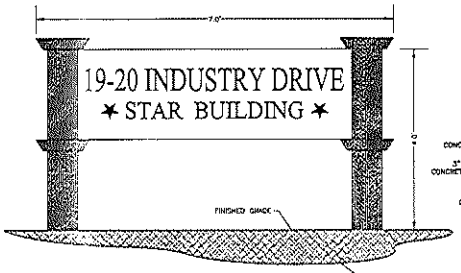

CONSTRUCTION SPECIFICATIONS

1. STONE WILL BE PLACED ON A FILTER FABRIC FOUNDATION TO THE LINES, GRADES AND LOCATIONS SHOWN IN THE PLAN.
2. SET SPACING OF CHECK DAMS TO ASSURE THAT THE ELEVATIONS OF THE CREST OF THE DOWNSTREAM DAM IS AT THE SAME ELEVATION OF THE TOE OF THE UPSTREAM DAM.
3. EXTEND THE STONE A MINIMUM OF 1.5 FEET BEYOND THE DITCH BANKS TO PREVENT CUTTING AROUND THE DAM.
4. PROTECT THE CHANNEL DOWNSTREAM OF THE LOWEST CHECK DAM FROM SCOUR AND EROSION WITH STONE OR LINER AS APPROPRIATE.
5. ENSURE THAT CHANNEL APPURTENANCES SUCH AS CULVERT ENTRANCES BELOW CHECK DAMS ARE NOT SUBJECT TO DAMAGE OR BLOCKAGE FROM DISPLACED STONE.

MAXIMUM DRAINAGE AREA: 2 ACRES.

NOTES:
1. PRIOR TO CONSTRUCTION, A FINAL SIGN DETAIL IS TO BE SUBMITTED TO THE TOWN OF CORNWALL BUILDING INSPECTOR FOR APPROVAL AND ISSUANCE OF A SIGN PERMIT.
2. THE FINAL SIGN DETAIL IS TO INCLUDE A DESIGN FOR THE SIGN BASE AND FOUNDATION, PROVIDED BY THE SIGN MANUFACTURER.
3. THE SIGN IS TO MEET ALL OF THE REGULATIONS AND REQUIREMENTS SET FORTH IN THE TOWN OF CORNWALL TOWN CODE, SECTION 158-16 "SUPPLEMENTARY SIGN REGULATIONS".
4. THE WORDING AND COLORATION OF THE SIGN IS TO MATCH THE EXISTING ENTRANCE SIGN IT IS PROPOSED TO REPLACE.
5. WORDING TO BE SIX INCHES HEIGHT MINIMUM.
6. SIGN LOCATION IS NOT TO OBSTRUCT VEHICLE SIGHT LINES.
7. SIGN SHALL NOT BE ILLUMINATED.

SITE DISTANCE PLAN

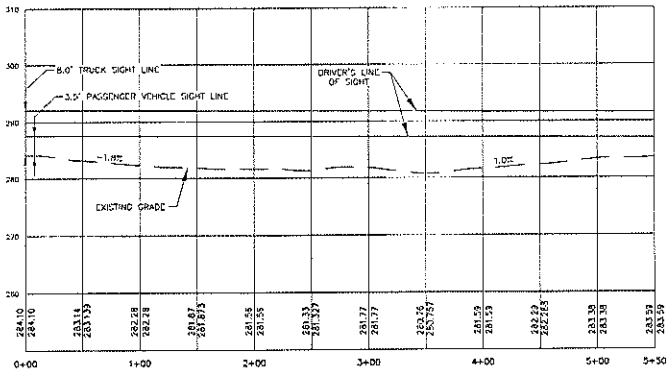

SCALE: 1"=40'

Available Sight Distance (in feet)		
Direction of Travel	Southbound	Northbound
Exiting Site	440	584
NYS Left Turner entering Sth traffic	600	-
NYS entering/ left turner from site	-	434
Sight Distances for 85th Percentile Speeds (MPH) in feet		
85th Percentile Speeds	85 mph	59 mph
Stopping Sight Distance		
AASHTO (Tables 3-1, 9-7, and equations used) *		
Passenger Car	486**	305**
Intersection Sight Distance		
NYSDOT *		
Passenger Cars		
Lt turn from exiting site *	730**	
Lt/ Left turn / cross onethen lanes	715'/870'**	570'/695'*
Left turn into site from northbound lane	445**	485**
Combination Trucks*		
Lt/ Right turn exiting site *	870'	
Lt/ Left turn / cross onethen lanes	630'/660*	1000'/1060'
Left turn into site from northbound lane	410'	470'

* Values used were not adjusted.
** Values used were adjusted.
*** Intersection sight distance was not applicable to this site.
* Methods & Proc. PTLGS, Sight Distances Plans and Profiles 10-2-2012 and Sight Distance Diagram 4 June 2015 (10 feet from driveway).
* Values shown represent two way per lane traffic flow. Values were based on AASHTO ** Passenger Cars, and not Combination Trucks, as it was not practical.
* Design values are restricted values subject to waiver if unavoidable circumstances.
* American Association of State and Highway Transportation Officials (AASHTO), A Policy on Geometric Design of Highways and Streets, (current edition 6th Edition (2011).
* New York State Department of Transportation (NYSDOT) Highway Design Manual Attachment 10 Intersection Sight Distance charts tables 10-1,10-4, and 10-5 and Jan 16 2015 memo on AASHTO* Tables 9-7 and 9-9

SCHEDULE B

Stormwater Infrastructure Maintenance:

Long term maintenance of all drainage pipes and treatment devices will be the responsibility of the property owners once construction of these items is completed.

Long term maintenance shall include the following:

Inspection: The pond and infrastructure should be inspected periodically for the first few months after construction and on an annual basis thereafter. The drainage infrastructure should also be inspected after major storm events to ensure that the orifices, if any and inlets remain open. Particular attention should be given to:

- Evidence of clogging
- Erosion of the flow path
- Condition of the embankments
- Condition of any spillways
- Accumulation of sediment at the culvert inlets and outlets, and in the proposed swales
- Erosion of bio-swales or riprap aprons
- Sources of erosion in the contributory drainage, which should be stabilized.

Debris and Litter Control: Removal of debris and litter should be accomplished during mowing operations. Particular attention should be given to removing debris and trash around inlets and outlets to prevent clogging.

Erosion Control: Eroding soils in drainage areas should be stabilized immediately with vegetative practices or other erosion control practices. Potential problems are erosion that may occur on the embankment, slopes, and any spillways. Also, attention should be given to repositioning protective riprap where appropriate.

Sediment Removal: Sediment should be removed periodically in order to preserve the available stormwater treatment capacity of the infiltration pond and, to prevent inlets and outlets from becoming clogged. Also, unless removed, accumulated sediment may become unsightly. While more frequent clean-out may be needed around the inlets and outlets, a typical clean-out cycle for the entire stormwater infrastructure should range from 5 to 6 years or after 25 percent of the water quality volume capacity has been lost. Sediment excavated from the facilities is not considered toxic or hazardous material, and can be safely disposed of by either land application or land filling.

Agenda Item #2

Town of Cornwall Police Department

183 Main Street
Cornwall, New York 12518

Joseph Gebert *Chief of Police* *(845) 534-8100*

6/18/2026

Town of Cornwall Town Board,

I respectfully request the Town Board consider an amendment to the current Town of Cornwall local code regarding section 108-3 Park Regulations. Currently, the town code restricts the public from entering or remaining on town grounds after 9 p.m. However, several exceptions to the restricted hours are included in the law. Chapter 108-3 subsection B(6) allows for persons using the tennis and basketball courts to remain on those facilities indefinitely.

We do notice quite a few teenage groups and adults remaining on the courts after 9 p.m. We have not had any issues we these individuals as of late, and I personally believe that teenagers playing sports next to a police station during the evening hours is a perfectly suitable activity, considering the alternatives they might get into without use of these facilities. That being said, I believe the code should provide for a reasonable time to close the courts at night, sometime after 9 p.m. but before midnight.

☐ **§ 108-3 Park Regulations.**

[Amended 6-8-1987 by L.L. No. 4-1987; 12-8-1997 by L.L. No. 6-1997; 8-14-2006 by L.L. No. 2-2006; 10-12-2010 by L.L. No. 5-2010]

A. Hours of operation. No person shall remain on, conduct any activity on, be involved in any activity or be present on Town Park grounds or in any of the improvements thereon between 9:00 p.m. and 6:00 a.m.

B. Exceptions. The provisions of Subsection A above shall not apply in the following circumstances:

(1) Persons who are present on the Town Park grounds or within any of the improvements on the Town Park grounds as part of any activity, permission for which has been granted by the Town Board or by any official of the Town designated by the Town Board to grant such permission.

(2) Persons attending any meeting of any board or committee of the Town of Cornwall or any judicial function of the Town Court.

(3) Persons parking motor vehicles on any of the parking lots within the Town Hall Park grounds to be used by persons in attendance at the meetings of boards or committees of the Town of Cornwall or of the Town Court.

(4) Any Town official or any person meeting with any Town official on the Town Hall Park grounds or within any of the improvements on the Town Hall Park grounds.

(5) Persons parking motor vehicles on any of the parking lots within the Town Hall Park grounds after a precipitation of snow of 2 1/2 inches or more, provided that the Town Hall Park grounds' parking lots have been cleared of snow and provided further that such person registers his or her vehicle with the Town Dispatcher in Town Hall.

(6) Persons using the tennis courts and basketball courts, provided that such persons are accompanied by an adult either as a participant or as a supervisor of those persons participating in tennis or basketball.

Joseph G. Gebert, Chief of Police

ORANGE COUNTY, NEW YORK

To: Supervisor Wojehowski & Town Board

Date: July 13th 2026

From: Tom Gschwind, Highway Superintendent

Re: Request for a 3-way stop – Shore Dr at Sycamore Dr

Mr. Wojehowski,

I am requesting that the Town Board consider installing a three-way stop at the intersection of Shore Drive and Sycamore Drive in the Beaver Dam Lake neighborhood.

With the upcoming opening of Cornwall Social, which will include a farm-to-table restaurant, a farm stand and artisan market, a large recreational hall with games and performance space, and a greenhouse for growing vegetables, flowers, and herbs, I anticipate a significant increase in traffic in this area.

The intersection of Shore Drive and Sycamore Drive already serves as an important access point for neighborhood residents. As traffic volumes increase due to visitors, deliveries, and special events associated with Cornwall Social, a three-way stop would help improve safety for motorists, pedestrians, cyclists, and local residents. It would also help create a safer driving environment for everyone traveling through the neighborhood. Given the anticipated increase in traffic, I believe installing a three-way stop at this intersection is a proactive and practical solution to improve public safety. This measure would help reduce the risk of accidents, encourage drivers to slow down, and provide a safer crossing for pedestrians and cyclists.

Thanks,

Tom Gschwind

Highway Superintendent

Agenda Item #4

RESOLUTION OF THE TOWN BOARD OF THE TOWN OF CORNWALL AUTHORIZING THE TOWN SUPERVISOR TO ENTER INTO AN INTERMUNICIPAL AGREEMENT WITH ORANGE COUNTY FOR THE CONTROL OF SNOW AND ICE ON CERTAIN COUNTY ROADS DURING THE 2026-2027 WINTER SEASON

WHEREAS, the Town of Cornwall (the "Town") wishes to enter into an intermunicipal agreement with Orange County to provide snow and ice control and removal services for certain County roads located within the Town, which are described as County Roads No. 9, 20, 65, 32 and 107; and

WHEREAS, the Town would receive monetary compensation in the amount of $74,556.00 from the County for performing the aforementioned services; and

WHEREAS, the Town has the necessary machinery, equipment and manpower to exercise the required snow removal and salting or otherwise treating of those certain County roads; and

WHEREAS, the Town Board has determined that it is in the overall best interests of the Town to enter into an intermunicipal agreement with Orange County for the aforesaid snow and ice control and removal services,

NOW THEREFORE, IT IS HEREBY

RESOLVED, that the Town Board of the Town of Cornwall hereby authorizes the Town Supervisor to execute an intermunicipal agreement between the Town of Cornwall and Orange County for the furnishing of all resources necessary to provide snow and ice control services on the aforementioned County roads during the 2026-2027 Winter season as required to effectuate the intent of this Resolution, which intermunicipal agreement, amendments and any contributing documents shall be subject to review and approval by the Town Attorney.

RE: Agreement for Snow and Ice Control on Certain County Roads for the 2026-2027 Season

Dear Mr. Wojehowski:

Enclosed herewith is one (1) copy of the proposed *Intermunicipal Agreement for the Control of Snow and Ice on Certain County Roads* for the 2026-2027 season with your municipality. Please execute the Agreement and **return it to this office no later than August 14, 2026** with the following documents:

1) **Original Agreement: Signed, Dated, and with Corporate Seal**

2) **Resolution enacted by the municipality to enter in the Agreement. Resolution must be original and certified by the Town Clerk, with your Corporate Seal.**

3) **Certificates of Insurance** as outlined in ARTICLE 13 of the Vendor Services Agreement; **(Please see Paragraph 8 in the Agreement for specified amounts.):**

- **Comprehensive General Liability and Automobile Liability**, naming County of Orange additionally insured
- **Certificate of Insurance for NYS Workers' Compensation** (Must be separate from ACORD; i.e. Form C-105.2)
- **Certificate of Insurance for NYS Disability Benefits** (Must be separate from ACORD; i.e. Form DB-120.1)

Certificate holder information should read as follows: **County of Orange c/o Dept of Public Works**
P.O. Box 509, 2455-2459 Route 17M
Goshen, NY 10924

Thank you for your prompt attention to this matter.

Very truly yours,

Erik Denega, P.E., P.M.P.
Commissioner

INTERMUNICIPAL AGREEMENT
FOR THE CONTROL OF SNOW AND ICE ON CERTAIN COUNTY ROADS

This **INTERMUNICIPAL AGREEMENT** ("Agreement"), dated and effective as of the 1st day of October, 2026, between the **County of Orange**, a municipal corporation organized and existing under and by virtue of the Laws of the State of New York and being one of its political subdivisions (hereinafter the "**County**"), and the **Town of Cornwall**, Orange County, New York (hereinafter the "**Municipality**"), collectively referred to as "Parties."

WITNESSETH

WHEREAS, the **County** owns, operates and maintains a highway system (hereinafter "roadways") in the towns and villages of the **County**; and

WHEREAS, the Orange County Department of Public Works has general charge and supervision of the work of constructing, improving, repairing and maintaining all **County** roadways; and

WHEREAS, **County** funds may be expended for the control and removal of snow and ice from **County** roadways; and

WHEREAS, the **County** may contract with the **Municipality** for snow removal and for salting or otherwise treating **County** roadways for the purposes of removing the danger of ice and snow; and

WHEREAS, the **Municipality** has the necessary machinery and equipment to exercise snow removal and salting or otherwise treating certain **County** roadways in said **Municipality**; and

WHEREAS, it will be beneficial to the **County** for said work to be performed by the **Municipality**; and

WHEREAS, the **Municipality** is willing to contract with the **County** for snow and ice control services based on the terms and conditions hereinafter set forth;

NOW THEREFORE, in consideration of the mutual covenants contained herein, it is agreed between the parties hereto as follows:

1. **Term**. This Agreement shall be in effect for a period commencing on **October 1, 2026** and will terminate on **April 30, 2027** (hereinafter the "Term"). This Agreement is subject to approval by resolution of the Orange County Legislature and the Municipality's legislative body pursuant to New York Highway Law §135-a, set forth in **Schedule "B"**.

2. **Scope of Work**. This Agreement shall include all activities necessary to control snow and ice, together with all necessary labor, equipment and materials for the **County** roadways designated in **Schedule "A"** which is annexed hereto and incorporated herein (hereinafter the "Work").

    a. The **Municipality** will furnish all personnel, necessary highway tools and equipment and cause the Work to be performed in accordance with the rules and regulations of the **County's** Commissioner of Public Works.

    b. The **Municipality** will provide all necessary sanding for the purposes of removing the danger of snow and ice on the **County** roadways designated in **Schedule "A."**

c. Plowing shall always be done with the plowing trucks moving in the direction of traffic. Snow should not be plowed to the side of the truck on which traffic has an opportunity to pass.

3. **Payment.** In consideration for the Work, the **County** will pay the **Municipality** in accordance with the rates set forth in **Schedule "A"**. **Municipality** shall submit a detailed invoice for all Work rendered pursuant to this Agreement. The **County** will pay the **Municipality** on or before **April 15, 2027** or, in the event that an invoice is not tendered to the **County** on or before **March 15, 2027, County** shall issue payment within thirty (30) days receipt of such invoice.

4. **Municipality Responsibilities.** In addition to the obligations set forth in this Agreement, **Municipality** shall:

   a. Notify the **County's** Commissioner of Public Work, through **Municipality's** Superintendent, of any action, proceeding, claim or demand against **Municipality** arising from or out of the manner of performance of the functions under this Agreement;

   b. Maintain a sufficient level of manpower, equipment and materials to enable it to meet the objections of this Agreement;

   c. Clear the **County** roadways described in **Schedule "A"** to the extent that the **County** may deem necessary to provide reasonable passage and movement of vehicles over such roadways all in accordance with the terms, rules and regulations as may be deemed by the **County** to be in the best interest of the public; and

   d. Adhere to all applicable local and state driving laws including the New York State Department of Transportation guidelines for any employees possessing a Commercial driver's license.

5. **Compliance with Local Law No. 10 of 2013. AS PROVIDED IN LOCAL LAW NO. 10 OF 2013, THE MUNICIPALITY ACKNOWLEDGES THAT THE PLACEMENT OF BRINE ON ANY ROAD OR PROPERTY OF THE COUNTY IS UNLAWFUL. MUNICIPALITY AGREES THAT NO BRINE, AS DEFINED BY LOCAL LAW NO. 10 OF 2013, WILL BE UTILIZED ON OR PLACED ON ANY PROPERTY OF THE COUNTY IN PERFORMING THE WORK.**

6. **Expenses. Municipality** shall be responsible for all costs and expenses incident to the performance of this Agreement, including but not limited to, all costs of materials, equipment, all fees, fines, licenses or bonds required or imposed against **Municipality** and all other costs associated with the Work. The **County** shall not be responsible for any expense incurred by **Municipality** in performing the Work.

7. **Parties' Status.** It is the expressed intention of the Parties that the **Municipality** is an independent entity and not an employee, agent, joint venture or partner of the **County**. Nothing shall be interpreted or construed as creating or establishing the relationship of employer and employee between the **County** and **Municipality**.

8. **Municipality's Insurance.** The **Municipality** shall maintain the following insurances covering both the **Municipality** and the **County** as it applies to liability under this Agreement: (A) General Liability Insurance with a combined single limit of $1,000,000; (B) Auto Liability Insurance with

a combined single limit of $1,000,000; and (C) Workers' Compensation and Disability coverage as required by the New York State Workers' Compensation Law.

a. The **Municipality** shall attach to this Agreement a current Certificate of Insurance. The Certificate of Insurance will name the "County of Orange" as an additional insured with respect to this Agreement.

b. In the event the **Municipality** does not carry liability insurance, it shall provide the **County** with a letter of indemnification that holds the **County** harmless in the event of any action brought against the **County**. Said letter shall be approved by the Orange County Department of Law in advance of any performance of the Work.

c. Each insurance policy required by this Agreement shall be endorsed to state that the coverage shall not be suspended, voided, cancelled or reduced in coverage or in limits except after sixty (60) days prior written notice by certified mail, return receipt requested, to the **County's** Risk Management Division. Any insurance coverage replaced or renewed during this Agreement will be evidenced by a new Certificate of Insurance being supplied to the **County** by the **Municipality**.

d. The **Municipality's** insurance coverage or self-insurance deductible shall be primary insurance with respect to the **County**, its officials, employees, agents or volunteers; and shall be in excess of the **Municipality's** insurance or self-insurance/deductible and shall not contribute with it.

e. The **Municipality** may not subcontract or utilize subcontractors for Work to be performed under this Agreement without the express written consent of the **County**. In that the **County** provides written consent for the **Municipality** to subcontract or utilize subcontractors to perform the Work, the **Municipality** shall include any subcontractors as insured under the aforementioned insurance policies or shall furnish separate certificates for each subcontractor. Coverage for subcontractors shall be subject to all the requirements stated herein.

9. **Additional Insurance.** The **County** will provide insurance with limits of $2,000,000 in excess of the amounts set forth in Paragraph 8(A) and 8(B) hereof that will cover the **Municipality's** liability as it applies under this Agreement.

10. **Indemnification.**

a. The **Municipality** hereby agrees to defend, indemnify and hold harmless the **County**, including its officials, employees and agents, against all claims, losses, damages, liabilities, costs or expenses (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement), whether incurred as a result of a claim by a third-party of any other person or entity, arising out of services pursuant to this Agreement which the **County**, or its officials, employees or agents, may suffer by reason of any negligence, fault, act or omission of the **Municipality**, its employees, representatives, subcontractors, assignees, or agents. The **Municipality** further agrees to defend, indemnify and hold harmless the **County** against any claim arising from or occasioned by the manner of performance or non-performance of the Work under this Agreement.

b. In the event that any claim is made or any action is brought against the **County** arising out of the negligence, fault, act or omission of an employee, representative,

subcontractor, assignee or agent of the **Municipality**, either within or without the scope of his or her respective employment, representation, agreement or agency, or arising out of the **Municipality's** negligence, fault, act or omission, then the **County** shall have the right to require payments hereunder for the purpose of set-off in sufficient sums to cover the said claim or action. The rights and remedies of the **County** provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

11. **Termination.** The **County** may terminate this Agreement upon thirty (30) days written notice to the **Municipality** subject to the fulfillment of all outstanding obligations to the **County** under the provisions of this Agreement. If this Agreement is so terminated, the **Municipality** shall be paid for that portion of the Work satisfactorily completed.

12. **Prohibition against assignment.** In accordance with the provisions of section 109 of the General Municipal Law, the Parties are hereby prohibited from assigning, transferring, conveying, subletting or otherwise disposing of this Agreement, or of its right, title or interest in this Agreement, or its power to execute this Agreement to any other municipality, officer, person or corporation without the previous consent in writing of the other party.

13. **Construction of Agreement.** This Agreement shall be construed in accordance with the laws of the State of New York and jurisdiction and venue for any disputes arising herewith shall reside with the Orange County Supreme Court in and for the State of New York.

14. **Notices.** All notices shall be in writing and hand-delivered or sent by United States certified or registered mail, return receipt requested to the address of the other party or to such other address as such party may designate from time to time by such notice and shall take effect when mailed.

15. **Entire Agreement.** This Agreement constitutes the entire Agreement between the **County** and **Municipality** with reference to the subject matter hereof. There are no terms, conditions or obligations other than those contained herein and there are no written or verbal statements or representations, warranties or agreements with respect to this Agreement which have not been embodied herein.

16. **Modification.** This Agreement shall not be modified except by writing, subscribed by both Parties.

17. **Non-Waiver.** No delay for failure by either party to enforce or exercise any rights or remedies hereunder shall constitute a waiver of such right or remedy, nor shall any single or partial exercise of a right or remedy preclude any other or further exercise of rights and remedies.

18. **Severability and Compliance with Applicable Law.** Should any part, term, portion or provision of this Agreement or the application thereof to any person or circumstances be in conflict with any local, state or federal law or otherwise be rendered unenforceable or ineffectual, the validity of the remaining parts, terms, portions or provisions or the application thereof shall be deemed severable and shall not be affected thereby.

19. **Headings.** The headings used herein are for convenience only and shall not be considered in any interpretation of any disputes over the terms of this Agreement.

20. **Interpretation.** The Parties acknowledge that that they have had an opportunity to review this Agreement and confer with counsel of their choosing. This Agreement shall be interpreted in

accordance with its plain meaning, and the rule that ambiguities shall be construed against the drafter of the document shall not apply in connection with the construction or interpretation hereof.

IN WITNESS THEREOF, the Parties have hereunto executed this Agreement to be effective as of the date set forth above.

Agenda Item #6

RESOLUTION OF THE TOWN BOARD OF THE TOWN OF CORNWALL AUTHORIZING THE SUPERVISOR TO EXECUTE A MEMORANDUM OF UNDERSTANDING FOR A PROPERTY EXCHANGE WITH HUDSON VALLEY GOLF FOUNDATION IN CONNECTION WITH THE BOULEVARD BRIDGE REPLACEMENT PROJECT

WHEREAS, the Town is responsible for the maintenance, repair and replacement of the bridge for vehicular traffic on Boulevard and Ridge Road; and

WHEREAS, the aforesaid bridge needs to be replaced on and/or near the property owned by Hudson Valley Golf Foundation ("HVGF"); and

WHEREAS, a portion of HVGF's golf operations are built on Town property and a portion of HFGF's property lies near the Town's right of way on Boulevard and Ridge Road; and

WHEREAS, the Town and HVGF have agreed to exchange certain real property in the form of a lot line change agreement in order for both parties to have more efficient access to the real property needed for their respective operations; and

WHEREAS, the Town and HVGF have agreed to the terms of the attached Memorandum of Understanding which outlines the basic terms of the lot line change and also contemplates the execution of a formal written agreement further detailing the terms of the lot line change and respective responsibilities of the parties; and

WHEREAS, the Town Board has determined that it is in the overall best interests of the Town to enter into the attached Memorandum of Understanding with HVGF and the subsequent formal agreement,

NOW THEREFORE, IT IS HEREBY

RESOLVED, that the Town Board of the Town of Cornwall hereby authorizes the Town Supervisor, or his designee, to enter into the attached Memorandum of Understanding with HVGF and the subsequent formal written agreement setting forth the terms of the lot line change agreement between the Town and HVGF, and to execute any other appropriate documents, all of which shall be subject to review and approval by the Town Attorney.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding is made as of the 10th day of July 2026 (the "Effective Date"), by and between

HUDSON VALLEY GOLF FOUNDATION, a Delaware not-for-profit corporation, with offices at 18 Ridge Road, Cornwall, NY 12518 ("**HVGF**") and

TOWN OF CORNWALL (the "**TOWN**"), a municipal corporation organized and existing under the laws of the State of New York with its principal offices located at Town Hall, 183 Main Street, Town of Cornwall, Orange County, NY 12518.

1. HVGF is the fee simple owner of certain real property located in the Town of Cornwall, County of Orange, State of New York as follows:

   i) 25 Boulevard, Cornwall, New York, which is identified on the Town Tax Map as Section 38, Block 1, Lot 18; and

   ii) 18 Ridge Road, Cornwall, Orange County, New York which is identified on the Town Tax Map as Section 38, Block 1, Lot 19.2

   (collectively the "HVGF Property").

2. The TOWN previously installed a bridge on and/or near the HVGF Property to allow for vehicular traffic on Boulevard and Ridge Road, which needs to be replaced on and/or near the HVGF Property.

3. HVGF will transfer a +/- 0.97 acre portion of the HVGF Parcel to the TOWN to be added to Boulevard by virtue of a lot line change; and ii) the Town to transfer a +/- 0.13 acre portion of Boulevard to HVGF to be added to the HVGF Property by virtue of a lot line change (See Exhibit "A" annexed hereto).

4. The Parties shall equally share the costs and expenses of engineering and other necessary services, for obtaining all required approvals, including, but not limited to, subdivision/lot line change approval from the Town of Cornwall Planning Board, to effectuate the intent of this Agreement in a joint Planning Board application (the "Approvals").

5. The Parties shall cooperate with each other in a commercially reasonable manner, including the execution of any consents or other documents, reasonably required by either Party or the Town of Cornwall, in order to make a joint application for such municipal approvals.

6. Following the execution of this Memorandum, the TOWN, its employees, consultants, agents and contractors, shall be permitted to enter those portions of the HVGF Parcel

on and surrounding the Conveyance Areas identified on Exhibit "A" to undertake all aspects of the bridge replacement Project, including staging of equipment, ground preparation and actual replacement of the bridge. **No portion of the golf playing areas of the HVGF Parcel shall be disturbed by the Town.**

7. THE TOWN will be responsible for all damage or injury to any person or property resulting from any entry on the HVGF Parcel by the TOWN. The TOWN will indemnify, defend and hold harmless HVGF for, from and against any loss, claim, demand, lien, liability, cost or expense (including attorney's fees) arising out of or related to the TOWN or any of its employees, agents, representatives or contractors entry on the HVGF Parcel.

8. Prior to entering upon the HVGF Parcel, the TOWN and its agents, representatives and contractors will obtain a policy of general commercial liability insurance with a combined single limit of not less than One Million Dollars ($1,000,000.00) per occurrence covering the activities of the TOWN and its agents, representatives and contractors under this Agreement. HVGF will be added as an additional insured under such insurance policy.

9. Prior to accessing the Property, the TOWN shall give reasonable notice to the HVGF, and no work on the Project will be conducted by the TOWN, or its employees and agents, on weekends or holidays or outside the hours of 7:00 a.m. to 5:00 p.m. on weekdays, without HVGF'S prior consent.

10. **The parties agree that the forgoing will be further memorialized in a written agreement between the parties to be negotiated in good faith with an expected execution date of no later than forty-five (45) days from the date of full execution of this Memorandum.**

[*Remainder of Page Intentionally Left Blank; Signature Page Follows*]

IN WITNESS WHEREOF, the Parties hereto have duly executed this Memorandum as of the day and year first above written.

Agenda Item #7

RESOLUTION OF THE TOWN BOARD OF THE TOWN OF CORNWALL AUTHORIZING THE SUPERVISOR TO SOLICIT PROPOSALS FOR IMPROVEMENTS TO THE ICEHOUSE PAVILION PURSUANT TO A DASNY GRANT AWARD

WHEREAS, the Town of Cornwall has received a grant from the Dormitory Authority of the State of New York for the purpose of renovating and upgrading the Icehouse Pavilion adjacent to Rings Pond, including a new roof, flooring, lighting, electricity and other improvements; and

WHEREAS, the Town Board is of the opinion that it is necessary and in the best interest of the Town to solicit bids from interested parties to perform the necessary construction work in order to insure that the Town selects the proposal that is most beneficial to the Town,

NOW, THEREFORE, IT IS HEREBY

RESOLVED as follows,

1. That the Town Board hereby authorizes and directs the Supervisor to solicit proposals from outside contractors to provide construction services in connection with the aforementioned improvements at Icehouse Pavilion with said proposals to be submitted no later than 2:00 p.m. August 25th, 2026, and

2. To thereafter report back to the Town Board with the results of said proposals.

Agenda Item #8

RESOLUTION OF THE TOWN BOARD OF THE TOWN OF CORNWALL ACCEPTING A PROPOSAL FOR CONSULTANT SERVICES WITH RESPECT TO THE MARKETING, BRANDING, & WAYFINDING NEW YORK FORWARD PROJECT

WHEREAS, Town Board of the Town of Cornwall previously issued a Request for Proposals ("RFP") for the purpose of seeking qualified applicants to perform professional services for the Marketing, Branding, & Wayfinding project within the Town; and

WHEREAS, in response to the RFP, the Town obtained proposals for this service from prospective vendors and Kleer Creative of Cornwall on Hudson, NY, has made a proposal to provide such services; and

WHEREAS, the Town Board has determined that it is in the overall best interests of the Town to enter into a contract with Kleer Creative for the aforesaid project,

NOW THEREFORE, IT IS HEREBY

RESOLVED, that the Town Board of the Town of Cornwall hereby authorizes the Town Supervisor, or his designee, to accept the proposal of Kleer Creative of Cornwall on Hudson, New York to provide professional services for the Marketing, Branding, & Wayfinding project within the Town, said proposal being annexed hereto, and to execute any other appropriate documents, all of which shall be subject to review and approval by the Town Attorney; and it is further

RESOLVED, that the contract costs associated with this Resolution shall be paid from the appropriate budget line as determined by the Town's Accounting Department.

KLEER
CREATIVE

TOWN OF CORNWALL & VILLAGE OF CORNWALL-ON-HUDSON

REQUEST FOR PROPOSAL

A New York Forward Project Consultant for
Preparation of a Marketing, Branding, and Wayfinding Strategy
December 19, 2025

REVISED PROPOSAL SUBMITTED: MAY 7, 2026

KLEER
CREATIVE

Town of Cornwall Town Hall

Town Clerk
183 Main Street
Cornwall, New York 12518

Kleer Creative is pleased to submit our proposal for Cornwall, NY's branding, marketing, and wayfinding strategy. Destination branding is a powerful tool that helps places stand out among their competition, strengthen identity, boost tourism, and support local economic vitality.

Our agency has a vast amount of experience marketing and promoting tourist destinations, economic development and hospitality brands throughout the Hudson Valley. We know that a distinct and memorable brand is the foundation for meaningful tourism growth. But more importantly, we know Cornwall. We are ready to help Cornwall take its place as one of the Hudson Valley's most compelling destinations.

We hope to have the opportunity to work with you on this project.

Sincerely,

Jen Bannan
Owner
KLEER **CREATIVE**

WE KNOW CORNWALL.

We watch the sun rise and set over the Hudson every day. We let our dogs run wild at Donahue Farm. We've seen the crowds arrive at Storm King for Ellsworth Kelly's *Untitled*—but we know when the natural light hits it just right.

We've waited in line at Jones Farm with visitors chasing apple cider donuts—knowing the carrot cake and key lime pie are really their best kept secrets. We know the Bad Boy Brat isn't on the menu at Painter's anymore, but if Frankie Tabasco is in the kitchen, he'll make it for you anyway. And when Mikey hands over a Rock Star at 2 Alices, it's always special.

We've watched Main Street evolve—Hillary's curated finds shaping the style of a community one perfect outfit at a time. We know David at Storm King pours an espresso martini that's almost too good, and Donny at Pepp's is the grouchiest bartender everyone hates to love.

We know where to park when the trailheads are overflowing, the exact week the mountain tips into full October color, and that Cornwall's magic is one of a kind.

We live here. We work here. We wander its paths in every season. Only locals know the stories, the flavors, and the personalities that give Cornwall its soul.

We know that in order to build the Cornwall brand, you need to understand it from the inside.

That's why we're the team to tell its story.

PROJECT DESCRIPTION

Kleer Creative will establish and implement a comprehensive branding, marketing, and wayfinding strategy designed to elevate the visibility and identity of Downtown Cornwall while attracting new residents, businesses, and visitors. Drawing on extensive experience in destination marketing, tourism promotion, and economic development throughout the Hudson Valley, Kleer Creative will develop a refreshed and unified brand that authentically reflects Cornwall's character, culture, natural beauty, and sense of place. Through community engagement, stakeholder input, and thoughtful visual design, the initiative will create a consistent and memorable experience that improves navigation, enhances accessibility, promotes local businesses and attractions, and positions Downtown Cornwall as a premier Hudson Valley destination for residents and visitors alike.

COMPLIANCE WITH PROCUREMENT REQUIREMENTS

Kleer Creative understands the importance of full compliance with all applicable procurement requirements outlined in the RFP. The agency will work closely with the Town and Village's designated legal and financial representatives to ensure that all applicable provisions of New York State General Municipal Law and all municipal procurement procedures are properly followed throughout the procurement and contracting process. Kleer Creative acknowledges that written certification of compliance by the municipal attorney, chief legal officer, or financial administrator will be required and will provide all necessary documentation and cooperation to support that certification.

ESTABLISH & IMPLEMENT A BRANDING, MARKETING AND WAYFINDING STRATEGY

Project Initiation Meeting

The Project Initiation Meeting will serve as the foundation for a collaborative and organized project process. During this meeting, the project team will review and confirm overall design goals, project scope, schedule, budget, responsible parties, coordination procedures, workflow expectations, and anticipated deliverables. The meeting will also establish the scope and frequency of ongoing coordination meetings and introduce a shared file management and task-tracking platform to ensure transparent communication and efficient project management throughout the engagement. As a Cornwall-based agency with deep local knowledge and familiarity with the community's assets, Kleer Creative will work with Cornwall to evaluate existing conditions, identify opportunities, and inform the development of cohesive branding, marketing, and wayfinding solutions tailored specifically to Cornwall's character and needs.

Deliverables: Meeting summary document, file sharing platform

PROJECT APPROACH SUMMARY STATEMENT

Branding Plan: Brands need to be reviewed and updated in order to stay relevant. Refreshing the Cornwall brand is an opportunity to reposition the town in the marketplace and gain a competitive advantage. Enhancing the image of Cornwall with a more contemporary and memorable look will position the area as a premier destination. The visual elements that make up the new brand will serve as a platform in building a consistent story across all marketing channels. The new look should appeal to target audiences, local industries, key partners and government.

DRAFT DESIGNS FOR MARKETING AND BRANDING MATERIALS

Kleer Creative will prepare a comprehensive suite of draft branding, marketing, and wayfinding designs that align with the goals and recommendations outlined in the Strategic Investment Plan. Deliverables will include draft brand concepts, marketing collateral, digital and print promotional materials, and preliminary designs and placement plans for wayfinding elements such as directional signage, gateway signs, interpretive signage, informational kiosks, and other navigational features. Throughout the design process, Kleer Creative will collaborate closely with the Project Advisory Committee (PAC) and municipal staff to ensure alignment with project objectives, while also engaging residents, stakeholders, businesses, and community organizations through focus groups, stakeholder interviews, surveys, and other public engagement methods to gather meaningful input and feedback. Draft concepts will be refined through an iterative review process, with revisions incorporated until final designs are approved and ready for implementation. A style guide will be created to ensure brand consistency across all future communication channels. Elements will include logo usage, color palettes, typography, textures and graphic patterns. This document will unify how the brand presents itself to the public and serve as an internal reference for the town and village.

Deliverables: Draft designs and supporting materials

FINAL DESIGN FOR MARKETING AND BRANDING MATERIALS

Following review and approval of the draft concepts, Kleer Creative will prepare final branding, marketing, and wayfinding designs that establish a cohesive and recognizable identity for Cornwall. Final deliverables will include completed brand elements, a finalized signage location plan, and production-ready designs for directional signage, gateway signs, interpretive elements, informational kiosks, and supporting print and digital marketing materials. In addition, Kleer Creative will develop a comprehensive marketing plan that supports the long-term goals of the project through integrated campaign creation, social media planning and content development, advertising recommendations, and public relations initiatives designed to increase awareness, encourage visitation, strengthen community identity, and promote economic vitality throughout Downtown Cornwall and the surrounding community.

MARKETING PLAN

Kleer will create an integrated promotional marketing plan to attract visitors to Cornwall. The campaign will showcase Cornwall's unique cultural attractions, scenic beauty, historical sites, charming shops, local agriculture, seasonal recreation and the local food scene. Multiple campaign options will be presented. Kleer will demonstrate how elements from the approved campaign will be carried across all channels including print and digital advertisements, marketing collateral, newsletters and social media.

A successful public relations and social media strategy involves more than just creating content, to be successful a brand must engage and connect with influencers, industry leaders and media. In order to encourage coverage for the Hudson Valley Region, Kleer will create a marketing plan that includes a public relations and social media strategy, incorporating traditional editorial coverage, FAM tours, itinerary promotion and influencer trips. The marketing plan will highlight how suggested elements of the promotional campaign, content and public relations efforts can be repurposed and used as organic social content.

Deliverables: Final designs, supporting materials, marketing plan

ADDITIONAL IDEAS

Cornwall Creators: Invite select influencers, photographers, and bloggers for weekend residencies. They receive curated itineraries (hikes, farms, shops, cafés), and in return produce high-quality content that showcases Cornwall's culture, scenery, and businesses.

IMPACT *Authentic storytelling and consistent multi-platform exposure.*

Cornwall Ambassadors Program: Recruit passionate locals—artists, small-business owners, outdoor enthusiasts, historians, students—to serve as official place ambassadors. They share the Town's content and spotlight their own favorite hidden gems.

IMPACT *Builds grassroots pride while generating steady, organic social content.*

Cornwall Collective: A rotating event series promoting signature Cornwall events - (art shows, seasonal festivals, chef spotlights, historic walks) amplified with influencer invitations and live social coverage.

IMPACT *Blends experiential marketing with PR hooks and repeatable content.*

WAYFINDING SIGNAGE DESIGN AND PLACEMENT PLAN

The wayfinding strategy for Cornwall will advance the Town's broader goals of improving accessibility, elevating the visitor experience, and strengthening local identity across the Town and Village downtowns, parks and destination points. A well-designed wayfinding system will create intuitive navigation for residents and encourage exploration of all that Cornwall has to offer.

UNDERSTANDING PEOPLE & PLACE

Our process begins with an in-depth review of Cornwall's physical environment and conversations with key community stakeholders. The goal is to understand how residents and visitors navigate, interact with, and perceive the town. This phase includes:

- Identifying major destinations such as parks, waterfront areas, historic sites, parking, trail networks, cultural assets and retail shopping.
- Assessing existing signage and identifying what's missing, duplicated, and where navigation may feel unclear.

ESTABLISHING SIGNAGE HIERARCHY

A purposeful hierarchy helps ensure that each sign communicates the right level of detail at exactly the moment it's needed:

- **Gateway & Orientation Signs** Mark key entry points and boundaries, welcoming visitors while expressing Cornwall's identity. (Bay View Avenue to Village on Rte 218, Boulevard @ Storm King Engine Company Fair 25 and the Village boundary at Hudson Street.)
- **Directional Signs:** Offer clear instructions at decision points and along routes, giving users advance notice before turns or transitions.
- **Identification & Attraction Signs:** Call attention to individual cultural institutions, parks, historic landmarks, and Main Street destinations.
- **Supplemental Information:** Digital and printed guides and community maps will support navigation beyond physical signage.

BRAND ALIGNMENT & VISUAL IDENTITY

All wayfinding components will reflect Cornwall's new, updated brand. This includes:

- Applying the community's color palette, typography, icons, and material choices in a way that echoes local character and natural surroundings.
- Using design elements that celebrate Cornwall's history, significant sites, and cultural narratives to strengthen sense of place.

ACCESSIBILITY & INCLUSION

An equitable system must be easy for everyone to use. Our approach will:

- Follow ADA requirements related to placement, height, color contrast, and tactile features.
- Incorporate high-contrast graphics, legible typefaces, Braille/tactile components, and pedestrian-friendly details.
- Consider sightlines and usability from vehicular, bicycle, and pedestrian perspectives to ensure clarity across all modes of travel.

MASTER PLAN & IMPLEMENTATION STRATEGY

The final Wayfinding Master Plan will provide:

- A cohesive design concept and overarching signage theme.
- A catalog of sign types, including quantities, dimensions, materials, and location guidelines.
- A map showing where signs should be removed, replaced, or newly installed.
- Cost estimates for phased implementation that align with available funding.

OUTCOME & IMPACT

A thoughtfully designed wayfinding system will:

- Improve navigation and reduce visitor frustration.
- Enhance safety and accessibility.
- Strengthen economic vitality by guiding people to local businesses and attractions.
- Visually unify Cornwall's public realm with its brand identity.

This roadmap will help support a positive visitor experience, encouraging return visits and local engagement. This wayfinding system that is intuitive, durable and visually unified, is capable of supporting exploration, connectivity, and economic vitality for Cornwall.

Deliverables: Final signage designs, catalog of sign types and locations

M/WBE PARTICIPATION / WBE PARTICIPATION

Kleer Creative is currently in the process of obtaining New York State M/WBE certification. In the interim, Kleer has established relationships with qualified M/WBE and WBE-certified partners and subcontractors that will enable the project team to meet the State-mandated 30% participation goal outlined in the RFP. Kleer Creative will submit a detailed Utilization Plan identifying all participating firms, their associated Federal Tax Identification numbers, a description of the services to be provided, and the corresponding dollar value assigned to each scope of work. Anticipated subcontracted services may include printing, photography, videography and video editing, signage fabrication and installation, and other specialized production services necessary to successfully complete the project while ensuring compliance with all MWBE/WBE participation requirements.

Deliverables: Reporting documents for the life of the contract

PROJECT REPORTING

Kleer Creative will assist the Town and Village with all required project reporting and documentation throughout the duration of the contract. This will include the preparation of semi-annual project status reports due on June 30 and December 31, outlining work completed to date, progress on all contract tasks, budget and schedule updates, and anticipated timelines for remaining activities. Kleer Creative will also collaborate closely with municipal staff to prepare and submit the Final Project Summary Report, ensuring that all required information, deliverables, and project outcomes are accurately documented in accordance with the New York State Department of State's online reporting and submission requirements.

Deliverables: Project status reports for the life of the contract, final project summary report

AGENCY OVERVIEW

The Kleer Creative team, led by Jen Bannan, formerly of Honest Creative, brings extensive marketing expertise, particularly within the Hudson Valley region. With a deep understanding of the local market, they have played a pivotal role in shaping some of the area's most recognizable campaigns. Their work has influenced where people choose to live, start businesses, and visit, making a lasting impact on the region's growth and appeal. Kleer is currently in the process of obtaining NYS WBE certification.

CAPBILITIES

Kleer Creative is a full-service marketing agency with experience in developing and promoting government and economic development brands throughout the Hudson Valley region. Kleer will be an ideal partner providing the strategies necessary to shape positive perceptions about Cornwall and promoting informative and engaging content that will increase visitation.

Kleer has direct contact with all major media in the tri-state area, along with access to a number of social media influencers. These connections will help raise the profile of Cornwall. Kleer has strong relationships with regional media partners which becomes an added value for clients.

KEY PERSONNEL

Jennifer Bannan
OWNER

Jennifer is the owner of Kleer Creative, where she leads advertising and marketing strategy, account management, and creative workflow. She is committed to delivering exceptional work for a diverse range of clients.

Before launching Kleer, Jennifer served as Director of Marketing and Advertising at several Hudson Valley agencies. She managed high-profile accounts, including The City of Yonkers, Westchester County Tourism, Rockland County Tourism, Westchester County Office of Economic Development, Rockland Economic Development Corporation, and The Mid-Hudson Regional Economic Development Corporation.

Jennifer began her career in New York City, overseeing creative campaigns for major brands such as Citibank, Jergens, Revlon, and Starburst.

When she's not working, Jennifer stays busy managing a household full of boys—including her Bernese Mountain Dog, Bruno, who is often the most well-behaved.

Melissa Lipovsky
CREATIVE DIRECTOR

Melissa is known for taking a hands-on approach in collaborating with clients. She brings creative concepts to life and is responsible for shaping the direction of campaigns and driving results across all mediums. With a strong design background and intuitive creative sense, she plays a key role in branding, messaging, and creative execution of client initiatives.

Her creative vision has influenced brands including Montefiore Nyack Hospital, Dominican University, Webster Bank, Mid-Hudson Regional Economic Development Council, SUNY Purchase College, SUNY Rockland Community College, Marist College, The Historic Thayer Hotel at West Point, Veolia, Rockland County Tourism, The Town of Clarkstown, Hunterdon Medical Center Foundation, Seton Hall University, Merck, and Sanofi.

When she's not in the office, Melissa enjoys being out in nature—hiking, camping with her family, or unwinding by the ocean.

Mary Cronin
CONTENT DIRECTOR

Mary is a seasoned marketer and content creator who believes that good storytelling makes great things happen. She began her career in media at Conde Nast Publications where she served as Copy Chief at SELF Magazine. She then moved on to Time Inc. where she worked on start-up teams to launch two highly successful media brands. At The Parenting Group, publisher of Parenting Magazine, she served as Creative Services Director. She was then part of a small but mighty team that launched the print companion to the highly popular PBS series, *This Old House*, as its Marketing Director.

Later, Mary launched her own business to develop content for media brands and clients like the 92nd Street Y and The International Culinary Center. For the last 7+ years, Mary worked at top agencies in Westchester County, driving marketing, promotion, and content for clients like the Archdiocese of NY, Iona College, White Plains Hospital, and Volunteer New York!

When not crafting the perfect tagline, Mary likes to spend time with her family on Block Island, paddle boarding, hiking or playing with one of her three kittens.

Carol Tyson
MARKETING MANAGER

A resident of the Hudson Valley her entire life, Carol attended Rhinebeck High School where she competed on Rhinebeck's Varsity Boys' Tennis Team before graduating in 2014. She then moved on to SUNY New Paltz where she was named the SUNYAC Fall Scholar Athlete of the Year and selected to All-SUNYAC First Team in doubles and Second Team in singles, then graduating with honors in 2018. Since then she has managed marketing and advertising for brands including The Valley Table Magazine and Hudson Valley Restaurant Week. She has served as a Senior Marketing Manager at The Pass, Inferno and Jaunty. When she isn't beating everyone on the tennis court you can find her hiking with her pup and enjoying the Hudson Valley food scene.

Jessica Klein

PUBLIC RELATIONS

A seasoned public relations professional with a passion for media, Jessica forges successful and sustaining relationships with all journalists. She has provided public relations support for The Valley Table's Hudson Valley Restaurant Week and was the in-house publicist for Bedford Street Hospitality, which owns six restaurants including The New York Times's four-star Sushi Nakazawa and the now-revived, former Prohibition-era speakeasy, Chumley's. Jessica started her career as a publicist at Bullfrog + Baum, a full-service, public relations and marketing firm that represents chefs and restaurants. For nearly six years she worked with established clients like Wolfgang Puck and Bobby Flay and opened hotel-based restaurants including The Collection at The Cosmopolitan of Las Vegas.

When Jessica is not promoting you can find her chasing after her children or roaming the streets of NYC looking for the next foodie hot spot.

Agenda Item #9

RESOLUTION OF THE TOWN BOARD OF THE TOWN OF CORNWALL AUTHORIZING THE SUPERVISOR TO EXECUTE AN AMENDMENT TO THE AGREEMENT WITH THE COUNTY OF ORANGE FOR CSE TRANSPORTATION SERVICES TO RESIDENTS 60 AND OVER

WHEREAS, the Town of Cornwall and County of Orange are parties to a Community Services for the Elderly ("CSE") Transportation Contract dated July 1, 2021, as amended, for residents over the age of 60 years; and

WHEREAS, the County of Orange has issued the annexed contract amendment for the continuation of the CSE Transportation program, and

WHEREAS, the Town Board believes that it is in the best interest of the Town residents to authorize the Supervisor to execute the aforesaid amendment to the CSE Transportation agreement,

NOW, THEREFORE, IT IS HEREBY

RESOLVED that the Town Board of the Town of Cornwall hereby authorizes and directs the Supervisor, or his designee, to execute and submit the annexed amendment to the CSE Transportation agreement, subject to the approval of form of the amendment by the Town Attorney.

_____ presented the foregoing resolution which was seconded by _____,

The vote on the foregoing resolution was as follows:

Mary A. Heed, Councilwoman, voting _____

Timothy I. McCarty, Councilman, voting _____

Rokhsha Michael-Razi , Councilwoman, voting _____

Irwin Gold, Councilman, voting _____

Joshua Wojehowski, Supervisor, voting_____

ORANGE COUNTY

AMENDMENT

NO: 7 **EFFECTIVE DATE:** May _____, 2026

VENDOR: Town of Cornwall

AGREEMENT FOR: CSE Transportation Services for Residents 60 and Over (RFP-OFA04-21)

The Agreement for Vendor Services, dated July 1, 2021 between the **COUNTY OF ORANGE** ("County") and **Town of Cornwall** ("Vendor"), as previously amended and extended by Amendment No. 6 dated April 1, 2025, as previously amended and extended by Amendment No. 5 dated April 1, 2024, as previously amended by Amendment No. 4 dated January 1, 2024, as previously amended by Amendment No. 3 dated November 17, 2023, as previously amended and extended by Amendment No. 2 dated April 1, 2023, as previously amended and extended by Amendment No. 1 dated April 1, 2022 ("Agreement") is hereby further amended and extended as follows:

1) **EXTENSION OF TERM.** Not Applicable.

2) **NOT-TO-EXCEED COST**. The not-to-exceed cost set forth in Article 3 of the Agreement is increased by $31,748.50 to $126,370.50 as more particularly set forth below.

3) During Renewal Term #4, the vendor shall provide the Units of Service specified in the annexed Schedule B-5, which is hereby incorporated into and made a part of this Amendment No. 7. The annexed Schedule B-5 hereby supersedes and replaces Schedule B-4 (annexed to Amendment No. 5)

4) **SEXUAL HARASSMENT CERTIFICATION.** Pursuant to the New York State Finance Law §139-l, by execution of this Amendment No. 7, the Vendor and the individual signing this Amendment No. 7 on behalf of the Vendor certifies, under penalty of perjury, that the Vendor has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of Section 201-g of the New York State Labor Law. A model policy and training has been created by the New York State Department of Labor and can be found on its website at:

https://www.ny.gov/programs/combating-sexual-harassment-workplace

The County's policy against sexual harassment and other unlawful discrimination and harassment in the workplace can be found on the County's website at:

https://www.orangecountygov.com/1137/Human-Resources

4). **INTEGRATION.** Except as modified by this Amendment No. 7, the Agreement shall remain unchanged and in full force and effect. The terms used in this Amendment No. 7, unless otherwise defined in this Amendment No. 7, shall have the meanings as set forth in the Agreement. If there shall be any conflict or inconsistency between the terms and conditions of this Amendment No. 7 and the Agreement, the terms and conditions of this Amendment No. 7 shall control.

5). **SIGNATURES.** A manually signed copy of this Amendment No. 7 delivered by facsimile, email, or other means of electronic transmission shall be deemed to have the same legal force and effect as delivery of an original signed copy of this Amendment No. 7.

The foregoing changes result in the following adjustment of Agreement not-to-exceed cost and term as follows:

Agreement Not-to-Exceed Cost Prior to this Amendment	$94,622.00
Net Increase resulting from this Amendment	$31,748.50
Agreement Not-to- Exceed Cost including this Amendment	$126,370.50

Agreement Term Prior to this Amendment	07/01/2021 – 03/31/2026
Agreement Term including this Amendment	07/01/2021 – 03/31/2026

SCHEDULE B-5

FEES AND EXPENSES

UNITS OF SERVICE	UNIT COST	COST OF SERVICE
3915 units of Transportation	$17.00 (per one way trip per person)	$66,555

The COUNTY and VENDOR agree that the sources utilized to fund the Total Cost of Service of $66,555.00 shall be as follows:

(a) Area Agency Funds – For the satisfactory provision of the SERVICES, the COUNTY will reimburse VENDOR in a total amount not to exceed **$45,748.50**.

(b) Anticipated Income – Voluntary contributions in amount of $1,200.00 anticipated to be received during the term of this Agreement from those individuals who receive the SERVICES from VENDOR pursuant to this Agreement, which shall be retained by VENDOR and used to expand the SERVICES; and

(c) Subcontractor Funds – VENDOR shall contribute the sum of $19,606.50 to the cost of the SERVICES after application of those voluntary contributions received from those individuals who receive the SERVICES.

Please Note - Vendor acknowledges and understands that the risk that the voluntary contributions actually received may be less than the $1,200.00 projected on Schedule B-5 to the Agreement shall be borne by Vendor.

DISCLOSURE OF PRIOR NON-RESPONSBILITY DETERMINATIONS
See instructions on next page before completing this form.

Name of Individual or Entity Seeking to Enter into the Procurement Contract:

_____

Address: _____

_____

Name and Title of Person Submitting this Form: _____

_____

1. Has any Governmental Entity made a finding of non-responsibility regarding the individual or entity seeking to enter into the Procurement Contract in the previous four years? (Please circle): No Yes

If yes, please answer the next questions:

2. Was the basis for the finding of non-responsibility due to a violation of State Finance Law §139-j (Please circle): No Yes

3. Was the basis for the finding of non-responsibility due to the intentional provision of false or incomplete information to a Governmental Entity? (Please circle): No Yes

4. If you answered yes to any of the above questions, please provide details regarding the finding of non-responsibility below and attach additional pages as necessary.

Governmental Entity: _____

Date of Finding of Non-responsibility: _____

Basis of Finding of Non-responsibility: _____

5. Has any Governmental Entity or other governmental agency terminated or withheld a Procurement Contract with the above names individual or entity due to the intentional provision of false or incomplete information? (Please circle): No Yes

6. If yes, please provide details below and attach additional pages as necessary.

Governmental Entity: _____

Date of Termination or Withholding of Contract: _____

Basis of Termination or Withholding: _____

Offeror certifies that all information provided to the Governmental Entity with respect to State Finance Law §139-k is complete, true and accurate.

Instructions for Completing the
Offeror Disclosure of Prior Non-Responsibility Determinations

Background:
New York State Finance Law §139-k(2) obligates a Governmental Entity to obtain specific information regarding prior non-responsibility determinations with respect to State Finance Law §139-j. This information must be collected in addition to the information that is separately obtained pursuant to State Finance Law §163(9). In accordance with State Finance Law §139-k, an Offeror must be asked to disclose whether there has been a finding of non-responsibility made within the previous four (4) years by any Governmental Entity due to: (a) a violation of State Finance Law §139-j or (b) the intentional provisions of false or incomplete information to a Governmental Entity. The terms "Offeror" and "Governmental Entity" are defined in State Finance Law §139-k(1). State Finance Law §139-j sets forth detailed requirements about the restrictions on Contacts during the procurement process. A violation of State Finance Law §139-j includes, but is not limited to, an impermissible Contact during the restricted period (for example, contacting a person or entity other than the designated contact person, when such contact does not fall within one of the exemptions).

As part of its responsibility determination, State Finance Law §139-k(3) mandates consideration of whether an Offeror fails to timely disclose accurate or complete information regarding the above non-responsibility determination. In accordance with law, no Procurement Contract shall be awarded to any Offeror that fails to timely disclose accurate or complete information under this section, unless a finding is made that the award of the Procurement Contract to the Offeror is necessary to protect public property or public health safety, and that the Offeror is the only source capable of supplying the required Article of Procurement within the necessary timeframe. See State Finance Law §§139-j(10)(b) and 139-k(3).

Instructions:

The County of Orange includes this disclosure request regarding prior non-responsibility determinations in accordance with State Finance Law §139-k in its solicitation of proposals or bid documents or specifications or contract documents, as applicable, for procurement contracts. The attached form is to be completed and submitted by the individual or entity seeking to enter into a Procurement Contract, Supplemental or Change Order. This document must accompany each Bid Form, Letter of Interest, or Proposal submitted by all Offerors.

IRAN DIVESTMENT ACT CERTIFICATION

The Iran Divestment Act of 2012 ("Act"), Chapter 1 of the 2012 Laws of New York, added State Finance Law (SFL), §165-a and General Municipal Law §103-g, effective April 12, 2012. Under the Act, the Commissioner of the New York State Office of General Services ("OGS") developed a list ("Prohibited Entities List") of "persons" who are engaged in "investment activities in Iran" (both are defined terms in the law). In accordance with SFL § 165-a(3), the Prohibited Entities List may be found on the OGS website at http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf .

Pursuant to General Municipal Law §103-g, by signing below, Offeror certifies as true under the penalties of perjury that:

> By submission of this proposal each Offeror and each person signing on behalf of any Offeror certifies, and in the case of a joint proposal each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each Offeror is not on the list created pursuant to paragraph (b) of subdivision 3 of section 165-a of the State Finance Law.

A proposal shall not be considered for award nor shall any award be made where the certification has not been made, provided, however, that if in any case the Offeror cannot make the certification, the Offeror shall so state and shall furnish with the proposal a signed statement which sets forth in detail the reasons therefor. The County may award a contract to an Offeror who cannot make the required certification on a case-by-case basis if:

1) The investment activities in Iran were made before April 12, 2012, the investment activities in Iran have not been expanded or renewed after April 12, 2012, and the person has adopted, publicized, and is implementing a formal plan to cease the investment activities in Iran and to refrain from engaging in any new investments in Iran; or

2) The County makes a determination that the goods and services are necessary for the County to perform its functions and that, absent such an exemption, the political subdivision would be unable to obtain the goods or services for which the contract is offered. Such determination shall be made in writing and shall be a public document.

During the term of the Contract, should the County receive information that a person is in violation of the above-referenced certifications, the County will offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment which is in violation of the Act within 90 days after the determination of such violation, then the County shall take such action as may be appropriate including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the contractor in default.

The County reserves the right to reject any bid, proposal, contract or request for assignment for an entity that appears on the Prohibited Entities List prior to the award or execution of a contract or any renewal thereof, as applicable, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities List after contract award.

RESOLUTION OF THE CORNWALL TOWN BOARD ADOPTING LOCAL LAW NO. ____ OF 2026 ENTITLED "A LOCAL LAW ESTABLISHING AN ADDITIONAL SIX (6) MONTH MORATORIUM ON THE SUBMISSION AND PROCESSING OF APPLICATIONS FOR LAND USE APPROVALS WITHIN THE TOWN OF CORNWALL

WHEREAS, the Town Board of the Town of Cornwall is in the process of updating the Town's Comprehensive Plan; and

WHEREAS, the Town Board wishes to enact a local law establishing a moratorium on the review and approval of applications for land use approvals during the time that the Comprehensive Plan is being updated and local land use laws are adopted consisted therewith; and

WHEREAS, the Town Board of the Town of Cornwall is empowered by the State to adopt such local law pursuant to Municipal Home Rule Law; and

WHEREAS, moratoria are listed as Type II Actions under §617.5 of the State Environmental Quality Review Act (SEQRA) and, as such, are not subject to review under SEQRA; and

WHEREAS, a public hearing was held on July 14, 2026 at 7:00 p.m. to assist in the Town's consideration of the need to enact the aforesaid moratorium law; and

WHEREAS, in response to the Town's referral pursuant to General Municipal Law §239-m, by written correspondence, the Orange County Planning Department advised the Town that there were no County-wide impacts associated with the proposed moratorium law and found that the decision whether or not to enact said moratorium was a "local determination"; and

WHEREAS, the Town Board of the Town of Cornwall has determined that establishing the aforesaid moratorium is in the best interest of the public,

NOW, THEREFORE, BE IT HEREBY

RESOLVED, that the Town Board of the Town of Cornwall hereby adopts said Local Law No. ____ of 2026, entitled "**A LOCAL LAW ESTABLISHING AN ADDITIONAL SIX (6) MONTH MORATORIUM ON THE SUBMISSION AND PROCESSING OF APPLICATIONS FOR LAND USE APPROVALS WITHIN THE TOWN OF CORNWALL**", a copy of which is attached hereto and made a part of this resolution; and be it further

RESOLVED, that the Town Clerk be and she hereby is directed to enter said Local Law in the minutes of this meeting and in the Local Law Book of the Town of Cornwall and to give due notice of the adoption of said Local Law to the Secretary of State of New York and as otherwise required by law.

County Reply – Mandatory Review of Local Planning Action as per NYS General Municipal Law §239-l, m, &n

Local Referring Board:	Cornwall Town Board	**Referral ID #:**	COT13-26M
Applicant:	Town of Cornwall Town Board	**Tax Map #:**	Municipal-wide
Project Name:	Moratorium Extension	**Local File #:**	N/A
Proposed Action	Local Law to extend moratorium of development an additional 6 months.		
Reason for County Review:	Amendment of local law, as per §239-m.		
Date of Full Statement:	July 14, 2026		

Comments: The Department has received the above referenced local law and has found no evidence that significant intermunicipal or countywide impacts would result from its approval. We would like to offer the following advisory comments:

1. We recommend the Town continue every effort to complete the Local Law prior to the expiration of this additional six (6) month moratorium for the submission and processing of applications for land use approvals within the Town of Cornwall.

2. We again caution the Town that moratoriums alone are, at best, short-term solutions allowing the municipality time to research, analyze and implement real solutions. Moratoriums should be no longer in duration as necessary to bring about meaningful solutions to problems for which they have been enacted. What constitutes a reasonable length of time for a moratorium varies by circumstance. The longer a moratorium is in effect, the greater the risk it will be challenged. The Planning Department is prepared to provide any research or analysis assistance you may need to help expedite the process.

County Recommendation: Local Determination

Date: July 14, 2026

Alan J. Sorensen, FAICP
Commissioner of Planning

As per NYS General Municipal Law 239-m & n, within 30 days of municipal final action on the above referred project, the referring board must file a report of the final action taken with the County Planning Department. For such filing, please use the final action report form attached to this review or available on-line at www.orangecountygov.com/planning.

TOWN OF CORNWALL, COUNTY OF ORANGE, STATE OF NEW YORK

INTRODUCTORY LOCAL LAW NO. ____ OF THE YEAR 2026

A LOCAL LAW ESTABLISHING AN ADDITIONAL SIX (6) MONTH MORATORIUM ON THE SUBMISSION AND PROCESSING OF APPLICATIONS FOR LAND USE APPROVALS WITHIN THE TOWN OF CORNWALL.

Be it enacted for a period of six (6) months by the Town of Cornwall as follows:

Section 1. Intent and Authority

This Local Law is adopted pursuant to the provisions of the Municipal Home Rule Law of the State of New York and Article 16 of the Town Law of the State of New York, with the procedural provisions of the Municipal Home Rule Law controlling.

Section 2. Short Title

This Local Law shall be known as: "The Town of Cornwall Development Moratorium Continuation Law of 2026."

Section 3. Definitions

"Code" means the Town of Cornwall Code.

"Land Use Approval" means any approval issued by the Planning Board for subdivisions, site plans, and special use permits, clearing and grading permits, as well as road opening or driveway permits issued by the Town Highway Superintendent.

"Plan" means the Town of Cornwall Comprehensive Plan, adopted on November 25, 2003 and updated on April 11, 2005, March 13, 2012 and May 22, 2019.

"Town" means the Town of Cornwall.

"Town Board" means the Town Board of the Town of Cornwall.

"Town Clerk" means the Town Clerk of the Town of Cornwall.

Section 4. Legislative Purpose

A. The purpose of this Local Law is to enable the Town to prevent the submission and processing of any applications for Land Use Approvals within the Town for a reasonable time pending the Town Board's completion and adoption of an update to the Plan.

B. It is further the purpose of this Local Law to fulfill the Town's constitutional, statutory, and legal obligations to protect and preserve the public health, welfare, and safety of the citizens of the Town, as well as to protect the value, use and enjoyment of property in the

Town by temporarily prohibiting the submission and processing of applications for Land Use Approvals within the Town.

C. The Town Board finds that the following concerns must be considered with respect to the Plan and present land use regulations of the Town and the possible adoption of regulations with respect thereto:

1. The regional and national economic environment has changed since the adoption of the Plan in 2003 and as updated since, most recently on March 22, 2019, as have the Town's residential and commercial markets.

2. Given the volatile economic climate in the region since the adoption of and updates to the Plan, there is the possibility that existing large institutions, including the New York Military Academy, may experience financial difficulties that prevent continued operation; thus, possible future changes in land use need to be considered for those and other locations within the Town.

3. The Town's current infrastructure and utility capacity may not be adequate to accommodate future potential land uses.

4. There may not be sufficient land area within designated commercial districts along NYS 9W and Route 94 to facilitate a vibrant commercial area within the Town.

5. The natural resources of the Town may not be adequately protected by the Plan or current land use regulations.

6. The scenic, environmental and aesthetic attributes of the Town as they relate to the use of land in the Town for residential, recreational, institutional and tourism purposes and the potential negative impact thereon by certain uses currently permitted under the Plan and the Code should be considered.

7. The need for additional recreational space, and improvements to existing spaces, should be considered.

8. The Town Board desires to protect the aesthetic and scenic resources within the Town. An up-to-date Comprehensive Plan is essential to protecting the long-term health, safety, and welfare of the Town residents.

D. That the submission and processing of applications for Land Use Approvals within the Town without first addressing the above factors may have a permanent, significant, and substantial negative impact on the nature and quality of life in the Town and on the health, safety, general welfare, and comfort of its residents.

E. That to preserve the resources and character of the Town, to consider further the concerns of the residents and property owners of the Town, and to address further the needs of those residents and property owners, the Town finds that it requires time to study the impacts, effects, and regulation of development within the Town.

F. The Town Board created a new Comprehensive Plan Committee to consider the existing Comprehensive Plan, and to prepare a current update to the Plan based on current conditions within the Town and region, taking into account public input from Town residents and other interested stakeholders. The Comprehensive Plan Committee completed a draft Comprehensive Plan Update and has referred it to the Town Board for its consideration and public review. On May 21, 2026 the Town Board convened a public hearing on the draft Comprehensive Plan Update, and the Town Board shall continue that public hearing as it considers the draft and the public's comments on the draft Plan Update.

G. A Comprehensive Plan serves as the foundational policy document guiding land use, zoning, infrastructure investment, and community character, and as a result it is essential that major development decisions made during this update process not conflict with the emerging vision or policy framework. Without a temporary moratorium, there is a risk that applications inconsistent with the anticipated direction of the new Plan could be approved, undermining its goals before they are even adopted. The moratorium extension would provide the Town with the additional time required to evaluate land use applications against updated community priorities without being locked into outdated policy and regulatory frameworks.

H. A moratorium ensures fairness and predictability for both applicants and residents by establishing a clear, temporary rule applicable to all. It avoids the appearance of favoritism or piecemeal decision-making while allowing the Comprehensive Plan Committee to engage meaningfully with the residents and stakeholders in a process that is not overshadowed by ongoing development pressure.

I. The Town Board hereby finds that a moratorium extension of six (6) months duration, coupled with exceptions as enumerated below, and a hardship waiver procedure and mechanism for persons seeking Land Use Approvals within the Town, will achieve the balancing of interests between the public need to safeguard the resources and character of the Town, the health, safety and general welfare of its residents, and the rights of individual property owners, persons, or businesses engaging in various development activities during such period.

Section 5: Imposition of Moratorium

J. For a period of six (6) months from and after the effective date of this Local Law, except as provided in Sections 6 and 7 below: (i) no new applications for Land Use Approvals shall be accepted or processed by the Town; and (ii) no previously submitted applications for Land Use Approvals will be further processed by the Town.

K. The Town Board may, by resolution, extend the duration of this moratorium for additional periods of ninety (90) days each, if the Town Board determines that such extensions are necessary to complete the Plan Update and any associated revisions to the Code.

Section 6: Exceptions

L. This Local Law shall not apply to the following:

1. Applications before the Town Planning Board for which there has been issued a preliminary or conditional final Land Use Approval before the effective date of this Local Law.

2. Applications seeking the amendment of any previously issued preliminary or conditional final Land Use Approval, provided that such approval has (1) not expired, and (2) will not result in the potential for one or more significant impacts to the environment.

3. Any pending Planning Board application for which SEQRA has been completed (i.e., the adoption of a negative declaration or SEQRA Findings Statement).

4. Applications that are classified as Type II actions under SEQRA.

5. Applications for approval of lot line changes and minor subdivisions of no more than two (2) lots.

6. Applications for site plans or site plan amendments resulting in less than 5,000 square feet of disturbance.

7. Applications for site plans or site plan amendments resulting in less than 10,000 square feet of disturbance located within the Town's General Commercial, Highway Commercial, or Planned Commercial Districts.

8. Applications relating to wireless telecommunications facilities within the Town pursuant to Code Section 158-22.1 et seq.

9. Applications for building permits for any structure that does not require Planning Board approval.

10. Applications for road opening or driveway permits issued by the Town Highway Superintendent, provided that any such permit is issued simultaneously with a building permit for any exception listed herein.

Section 5. Alleviation of Extraordinary Hardship

A. The Town Board may authorize exceptions to the moratorium imposed by this Local Law when it finds, based upon evidence presented to it, that deferral of action on an application for a Land Use Approval would impose an extraordinary hardship on a landowner or applicant.

B. An application for an exception based upon extraordinary hardship shall be filed with the Town Clerk, including a fee of one thousand and 00/100 Dollars ($1,000.00) for each tax map parcel claimed to be subject to extraordinary hardship, by the landowner or the applicant, upon the consent of the landowner. The application shall provide a recitation of the specific facts that are alleged to support the claim of extraordinary hardship and shall contain such other information and/or documentation as the Town Board or its designee, shall prescribe as necessary for the Town Board to be fully informed with respect to the application.

C. A public hearing on any application for an exception to this Local Law based upon extraordinary hardship shall be held by the Town Board at a meeting of the Town Board no later than forty-five (45) days after the complete application for extraordinary hardship has been filed with the Town Clerk. The Town Board shall determine, by motion duly adopted, when an application based upon extraordinary hardship is complete.

D. In reviewing an application for an exception based upon a claim of extraordinary hardship, the Town Board shall consider the following criteria:

1. The extent to which the proposed development activity would cause significant environmental degradation, adversely impact adjacent natural resource areas, public health, comfort or safety concerns and/or have a negative impact upon the Town, considering the factors set forth in Section 4 of this Local Law.

2. Whether the moratorium will expose a property owner or applicant to substantial monetary liability to a third person or would leave the property owner or applicant completely unable, after a thorough review of alternative solutions, to have a reasonable alternative use of the property.

3. The extent to which actions of the applicant were undertaken in good faith belief that the proposed development would not lead to significant environmental degradation, undue adverse impacts on public health or safety, and/or have a negative impact upon the Town of Cornwall considering the factors set forth in Section 4 of this Local Law.

E. Mere delay or concern that regulations may be adopted or that the Plan may be amended is insufficient to constitute an extraordinary hardship under this section.

F. At the conclusion of the public hearing and after reviewing the evidence and testimony placed before it, the Town Board shall, in its sole discretion, act upon the application for an exception based upon extraordinary hardship. The Town Board may approve, deny or approve in part and deny in part the application being acted upon.

Section 6. Penalties

A violation of this Local Law is hereby declared to be an offense punishable by a fine not to exceed $250.00 or imprisonment for a period not to exceed fifteen (15) days, or both such fine and imprisonment, together with any other civil remedies available at law.

Section 7. Superseding and Repealer Provisions

This Local Law shall supersede the applicable sections of Article 16 of the Town Law, including, but not necessarily limited to Sections, 130, 261, 262, 263, 264, 265, 267, 268, 269 and 274-a, and Executive Law Section 381 to the extent inconsistent with the same and to the extent permitted by the New York State Constitution, the Municipal Home Rule Law or any other statute determined to be in conflict with the provisions hereof.

Section 8. Validity

In the event that any section, sentence, clause or phrase of this Local Law is held to be invalid or unconstitutional by any court of competent jurisdiction, said holding shall in no way affect the validity of the remaining portions of this Local Law.

Section 9. Effective Date

This Local Law shall become effective upon filing with the Secretary of State of the State of New York subsequent to having been duly adopted by the Town Board.

I hereby certify that the Local Law annexed hereto, designated as Local Law No. ____ of the year 2026, of the Town of Cornwall was duly passed by the Town Board on _____ __, 2026, in accordance with the applicable provisions of law.

I further certify that I have compared the preceding Local Law with the original on file in this office and that the same is a correct transcript therefrom and of the whole of such original Local Law, and was finally adopted in the manner indicated in paragraph 1 above.

Re: Appointment Town Clerk's Office

Supervisor Wojehowski & Town Board,

As you are all aware after 24 years Cecilia Iovine is retiring in September. Earlier this year I appointed Leandra Gallagher as my First Deputy in preparation for Ceil's retirement. We now must fill the vacancy when Ceil retires. I would like to appoint Janel Stong as my Second Deputy. I would like her to have a start date of 8-1-2026. I request that this appointment takes place at our 7-14 meeting. I'd be happy to answer any questions you may have. Thank you.

Respectfully,

Jenn McCormick

Salary breakdown:

Currently:

Cecilia Iovine	$65,406.00
Leandra Gallagher	$56,306.00

Changes:

Leandra Gallagher	$62,000.00 9/2026
Janel Stong	$52,000.00 8/2026

That leaves roughly $8K to cover health insurance and salaries for the month of August.

ORDER CALLING FOR A PUBLIC HEARING TO BE HELD ON AUGUST 11, 2026

WHEREAS, in 2017 the Town Board of the Town of Cornwall (herein called the "Town"), in the County of Orange, New York, on behalf of Cornwall Sewer District No. 1, in the Town (herein referred to as the "District"), caused MHE Engineering, engineers duly licensed by the State of New York (the "Engineer"), to prepare a map, plan and report for the increase and improvement of facilities of the District, consisting of improvements to the Shore Road Wastewater Treatment Facility (Phase 2), and other related or ancillary work in connection therewith, as described in the report prepared by the Engineer, dated May 2017 and revised June 2017, which map, plan and report have been filed with the Town Board; and

WHEREAS, in 2017 the maximum cost of such project was estimated to be $7,500,000; and

WHEREAS, in 2023 the Town Board determined that the estimated maximum cost of the project, as described in the Map, Plan and Report prepared for the Town by McGoey, Hauser & Edsall P.C., dated May 2017 (revised June 2017), as further revised as to cost by MHE Engineering as of May 10, 2023 was $9,000,000, and it was necessary and in the best interests of the Town and the District to increase the amount authorized to be spent for the project; and

WHEREAS, the Town Board has now determined that the estimated maximum cost of the project, as described in the Map, Plan and Report prepared for the Town by McGoey, Hauser & Edsall P.C., dated May 2017 (revised June 2017), as revised as to cost by MHE Engineering as of May 10, 2023, and further revised as to cost as of 2026, is an amount not to exceed $11,000,000, and it is necessary and in the best interests of the Town and the District to increase the amount authorized to be spent for the project; and

WHEREAS, pursuant to applicable provisions of the State Environmental Quality Review Act (SEQRA), constituting Article 8 of the Environmental Conservation Law, and 6 N.Y.C.R.R., Regulations Part 617, the Town Board has given due consideration to the impact the proposed project described herein may have on the environment and has made a final determination under SEQRA;

NOW, THEREFORE, BE IT

ORDERED, that a meeting of the Town Board of the Town be held at the Town Hall, 183 Main Street, Cornwall, New York, on the August 11, 2026 at 7:00 P.M. o'clock P.M. (Prevailing Time) to consider said increase in the amount authorized to be spent for the increase

and improvement of facilities of the District and to hear all persons interested in the subject thereof concerning the same and for such other action on the part of the Town Board with relation thereto as may be required by law; and be it,

FURTHER ORDERED, that the Town Clerk publish at least once in the official newspaper of the Town, and post on the sign board of the Town maintained pursuant to subdivision 6 of Section 30 of the Town Law, a Notice of such public hearing, substantially in the form attached hereto as Exhibit A, the first publication thereof and said posting to be not less than ten (10) nor more than twenty (20) days before the date of such public hearing.

DATED: July 14, 2023

TOWN BOARD OF THE TOWN OF CORNWALL

The adoption of the foregoing Order was duly put to a vote on roll call, which resulted as follows:

Supervisor Joshua Wojehowski	voting_____
Councilperson _____	voting_____
Councilperson _____	voting_____
Councilperson _____	voting_____
Councilperson _____	voting_____

The Order was declared adopted.

Exhibit A

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that the Town Board of the Town of Cornwall, in the County of Orange, State of New York, will meet at the Town Hall, 183 Main Street, Cornwall, New York, on August 11, 2026, at 7:00 P.M. (Prevailing Time), for the purpose of conducting a public hearing in relation to the increase in the amount authorized to be spent for the increase and improvement of facilities of Cornwall Sewer District No. 1, consisting of improvements to the Shore Road Wastewater Treatment Facility (Phase 2), and other related or ancillary work in connection therewith, as described in the Map, Plan and Report prepared for the Town by McGoey, Hauser & Edsall P.C., dated May 2017 (revised June 2017), as revised as to cost by MHE Engineering as of May 10, 2023 and further revised as to cost as of 2026. The amount authorized to be spent is proposed to be increased from $9,000,000 to an amount not to exceed $11,000,000.

At said public hearing, the Town Board will hear all persons interested in said subject matter thereof.
