

# PUBLIC WORKSHOP

We want to hear from you!  
**How would you spend  
\$4.25 Million  
to improve Cornwall?**

Recently, the Town of Cornwall, Economic Development Advisory Committee circulated a survey to solicit input from the community to identify projects and initiatives that would improve our community. The Town of Cornwall and Village of Cornwall-on-Hudson will be hosting a public workshop for residents and business owners to prioritize those projects and initiatives to support the NY Forward grant application needs. If awarded, we would receive \$4.25 million to be split evenly between the Town and Village. If you have not already completed the survey, please find further details below.

## **ALL CORNWALL RESIDENTS & BUSINESS OWNERS ARE INVITED!**
